

Shell Offshore Pioneers Golf Event

Thursday, April 9, 2026

Moody Gardens Golf Course

\$75 green fee includes cart fee and range balls

Shotgun start at 9:00 am – 19th hole celebration at 1:30 pm

Be sure to register for the golf event when you fill out the registration form for the 2026 Shell Offshore Pioneers Reunion. We had 32 players for the event held in 2024 and everyone really enjoyed it.

The main goal for this event is for everyone to have fun. The format will be a **Texas Scramble**. There will be no requirements to use any preset number of each golfer's tee shots. We will strive to arrange the teams according to your preferences, while assuring that each team has one or more golfers who can get the team around the course. To further reduce any “pressure factors”, bogey (one over par) will be the maximum team score allowed. If your team misses a putt for par, you’ll simply mark a bogey on your scorecard and move on to the next hole without delay.

We have reserved the course for a shotgun start and plan for everyone to play 18 holes. We may be able to accommodate 9-hole play if there is sufficient demand. Moody Gardens wants us to confirm the number of players 30 days before the event. So, to assure reserving enough tee boxes for everyone who wants to play, please send in your Reunion registration form with a tick in the box for the golf event by March 10.
