FRIDAY NIGHT FUN

We thank all of our loyal members who turn out for our Friday evening get togethers. This past Friday night was Potluck and the food was delicious, our members are excellent cooks. We dined on Fried Chicken, Swedish Meatballs, a tossed green salad, tuna macaroni salad, potato salad, deviled eggs, a yellow squash casserole, a brussels sprouts casserole, jalapeno cornbread muffins, garlic bread, pistachio cake and a chocolate whipped cream dessert.

Members gathered in small groups at the lounge tables or the bar and outside too. Gladys played our song favorites playlist out together from the songs that our members have requested to hear. It is a very eclectic playlist for sure, everything from the 50's to current hits covering all genres.

FROM OUR BOARD

Our HBC board of directors has been working hard to keep our club afloat financially during this Covid-19 crises. Jason Calhoun has been diligent in sanitizing the club lounge and/or dining room after every use. We keep hand sanitizer at our bar as well as masks if you would like one to wear. Club members have been very good about observing the guidelines from Florida State. They come to our gatherings with masks on and sit together in small groups of friends and family. We have asked that anyone not feeling 100% not come to the club, so far members have done an excellent job of complying. We have not heard that any of our members have contracted the virus which is a blessing.

Our next general membership meeting will be September 28th at the club.
