

HBC HAPPENINGS OCTOBER 2020

Congratulations 2021 Board of Directors

Monday, September 28th we held our 3rd General Membership meeting for our club. We covered club finances and we are holding our own financially. All our bills are paid including our very expensive insurance and we still have over \$5K in the bank.

The board presented to the membership a proposal to upgrade our electrical service and wiring in our gazebo. It is not code and has been just cobbled together over the years. We have a new member, Brent Morris, who is taking on the job at a very reasonable cost to the club. We will have plenty of new lighting and outlets in our gazebo when he and his crew are done and we will not be kicking off any more electrical breakers!

The club is also looking into replacing our old, deteriorated rail fencing next to the club with black chain link fencing and an upgraded gate. We need this for increased security and to protect access to, however our security cameras show a lot of non-member activity on the club grounds. Members are always welcome at the club but others trespassing on the property is a safety and security concern.

Last but not least we held our annual nominations for 2021 officers and directors. The slate of names presented were unopposed so they will automatically take office without holding an election. Those to be installed at our first Friday Night dinner in January 2021 will be:

Peggy Miller - President

Charlie Parrott - Vice President

Susan Kenny - Secretary

Brian Wagner - Treasurer

Richard Cauffman, Sue Falcone, Sharon Hutchison - Directors with 2 year terms. Fran Baird continues as a Director with one year remaining and Gladys Moore becomes Past President/Director.

We wish them success in guiding our club into 2021, may it be a better year for all than 2020 has been for all of us!

We also thank all 20 of our club members who joined us Saturday the 26th for a work party at the club. They pressure washed, weeded, painted, fixed, and repaired inside and outside the club. It was an awesome day. You all are our heroes for all you did.

Gladys Moore, President

Friday Nights & Special Events

We want to thank Fran Baird for putting together the Country Western Party with country singer Eddie McConnell. We had 89 people dancing their boots off, it was a fabulous party, everyone had so much fun! We plan to do it again.

Make your reservations today for our get together this Friday night October 2nd. Club member Lea Knezevich has a fun evening planned with great homemade food served buffet style inside the club. You may eat inside or outside as you wish. There will be Jimmy Buffet music and as a special treat a club member who plays the guitar is hosting a sing along. Plus if the weather is nice we will have a fire pit too. If the weather is not great we will move inside the club.

Did you know that our club member Mary Ann Leboeuf sends out our membership emails to keep us informed about what is going on at the club? She also handles our online reservations & emails.

Do check your inbox for our Halloween Trunk or Treat event flyers, it is going to be phenomenal with the band Hold Fast! Playing for us again. In addition to the Trunk or Treat Halloween night that is for big and little kids, we will be hosting our annual club members Halloween party on Friday October 30th with Big Daddy DJ playing our favorite tunes to boogie too. Club member Susan Braden has a special goulash dinner planned and there will be costume prizes and more.

If you want to help with Trunk or Treat in some way please call
Peggy Miller at 813-477-9151
 or
Gina Calhoun at 352-585-6090.

Hello HBC members and local business owners. We are excited to be throwing this event for our community and the kids. We would like to invite you to come and either decorate your vehicle or set up a table and tent to pass candy out to the kids. We will be having food, costume contests, bounce house, live entertainment, and more. The event is free for you to participate and have a great time. Please see the next page to see examples of different trunk or treat set ups. To participate please contact Gina at 352.585.6090 or Peggy at 813.477.9151 by October 17th, 2020.

We are taking donations of bagged and wrapped candy for the Trunk or Treat night. Please bring your bagged candy to the club and leave it in the lounge. There is a box on the stage in the lounge. We also need volunteers for our Friday night Halloween Party, there are decorations to be put up, tables to be set and clean up help after the party. Again, please contact Gina or Peggy if you can help.
