15. The two year belt rule will be enforced for all aftermarket belts.
16. A SNELL approved 2010 or newer helmet required in all classes except street. Street requires a SNELL approved 2005 or newer helmet.
17. All Pro-Bikes must have permanent number plate & number on the front of the vehicle.
18. **Racer assistance is limited to ONE crew member for burn out and starting line staging.**
19. **No one is allowed beyond the red line in the staging area.**
20. **Children are not allowed in staging lanes.**
21. **No bicycles allowed in the pits period.**
22. PIT VEHICLES
  - a. Must have a valid state-issued driver's license (beyond a learner's permit) to operate any type of pit vehicle; include ATV, Pit Bike, Golf Cart ect.
  - b. Must have race vehicle number clearly marked on the pit vehicle.
  - c. No joy riding of any kind.
  - d. No pit vehicle operation after the completion of the event.
  - e. After one warning, racer will be disqualified for the event. All points and money earned will be forfeited for the event the infraction occurred at.
23. Absolutely no burnouts in the staging lanes, excessive speed on the return road or in the pits. Violations will be considered grounds for disqualification. No warning may be given. Penalties will be assessed by track officials.
24. All stationary burnouts must be done on the concrete burnout box.
25. The Staging Director will select the next pair and lane choice in advance of pulling you out of the lanes. This will give you time for last second functions/preparations.
26. Do not start your burnout until the pair on the starting line leaves. Allow dragsters to do burnout first.
27. Competitors in both lanes should pre-stage before either vehicle can stage. Courtesy staging is encouraged.
28. You may only enter one vehicle per division. Two entries maximum per event.
29. Racer winner to be determined by computer printout.
30. Dial-ins are your responsibility and must be legible from a distance of at least 75 feet. Failure to have clear legible numbers and dial-ins are grounds for disqualification. Once you stage, you have accepted your dial-in, it may not be changed.
31. All vehicles will be handicapped off entrants dial-in. Breakout is disqualification. If two vehicles break out, the one who breaks out the least is the winner. If both vehicles break out by the same amount, winner will be determined by race computer printout.
32. Red light is automatic disqualification. Break out rule is not in effect on a red light. In case of dual infractions on an eliminator run, the worst infraction will be disqualified.
33. Track officials will decide if a re-run is necessary. Dial-ins and lanes remain the same on a re-run. Refusing to re-run is a disqualification.
34. Bye runs are chosen by reaction time for each division. The bye stays with that entry until it either loses or receives the bye. At that time another bye will be selected. Bye runs will not be announced.

35. Lane choice and who your competition will be is selected by the Staging Director. Unless instructed to do so by a track official, lining up in the wrong lane during eliminations will result in disqualification.
36. You must enter the staging lanes at the rear, not from the side (does not pertain to bikes or Juniors). Once you are in the lanes during an elimination round, you may not back up, switch lanes or pull out of the lanes. Failure to follow this rule will result in disqualification, loss of money and points earned for that event.
37. Broken entry. If you win your round and your vehicle is broken, you will receive next round loser money and points. Do not attempt to bring a broken entry back to run. Notify the tower that you are broke.
38. Broken entries will not be allowed to enter to obtain two points for entering.
39. Elimination Staging Lane Procedures – Does not apply to RSD or Full Throttle Friday

  - c. Please be in the proper lane for your class and race ready when eliminations for your class begins; when the first pair leaves the line. Failure to do so may result in disqualification. The track announcer will call each class to the lanes.
  - d. Buy-back lanes will be announced and a track personnel will assist with buy back lane organization only.
40. Anyone caught by a track official consuming alcohol in the pit area at any time prior to the conclusion of the full event you will be disqualified. Disqualification will include the event itself and will forfeit of all points accumulated for the season up to that point. See IHRA rules on drugs and alcohol. <http://www.ihra.com/competition/digital-rulebook/>
41. Team drivers must be declared on opening day. Limit two drivers per team. WIR reserves the right to alter this rule. One award per team.
42. Points.
  - a. Each valid entry is worth two points. You receive 1 point per round run. Event winner gets two points more than runner-up.
  - b. Points do not interchange between divisions. Points stay with the driver.
  - c. Team points must register opening day. No exceptions.
  - d. If you have a discrepancy with your points, you have two events to reconcile the problem.
  - e. In case of a tie in season ending points, 1<sup>st</sup> place tie will race off, weather permitting. If weather does not permit to race off refer to first tiebreaker rule. All other position ties will be as follows. 1<sup>st</sup> tiebreaker, the racer running the most amount of rounds in the final event will prevail. If still tied or multiple position tie, best reaction time will prevail, (best to worst) until all ties are broken.
