Promotions & Advertising

We will be promoting this event through multiple modes of advertising from press releases to local media, print advertising and online advertising (including Facebook paid ads, local event calendars, viral sharing, etc.).

Please like and follow us on our socials! Tag us in your posts and we'll try to do the same!

A Facebook event page will be created where you can select that you're *Going*. When you share it to your own communities and social channels, it expands the reach beyond what even our Sponsored Ad does.

Product donation for prize drawing

We ask that you have a product donation available for the prize drawings, which are part of the fundraiser for our Spotlight Organization. It should have **a value of \$15.00 - \$25.00**, and may be a single product or a collection of items.

NEW this year! We ask that you provide only a business card to the Prize Drawing Table. When a prize ticket is drawn, the winner will be handed a business card with instructions where to find your booth and how to redeem it. When they come to your booth, you will have the opportunity to help them select their prize by either providing a pre-selected item, giving them a selection to choose from, or allow them to shop within the \$15-\$25 amount.

Every customer and vendor will receive 1 free entry, and then we'll be selling additional tickets to raise funds for our Spotlight Organization. Tickets will be sold: 1 for \$1.00, 6 for \$5.00, and 15 for \$10.00. The drawing will take place throughout both days of the Craft Fair from 10:30am to 3:30pm. Winners need not be present to win. However, if not present, they will be notified, and must be able to pick up their prizes by 4:00pm on either day of the Craft Fair.

Booth Assignments, Layout and Setup

A layout with booth assignments will be sent out in the week of the event. We plan your booth spaces for the best fit and flow, and try very hard to honor all the space requests of our returning vendors or any other special requests. We reserve the right to assign spaces to suit the needs of the show.

For those who requested tables for INDOOR USE ONLY, your tables will be set up in your space. Chairs are available at NO COST for INDOORS USE ONLY. For OUTSIDE vendors, please bring your own tables, chairs, canopy weights, and equipment you will need.

For OUTSIDE vendors, you must bring canopy weights, with **a minimum of 15 pounds per leg. This is NOT a suggestion, but MANDATORY.** Vendors without tent weights will be asked to immediately obtain them within 30 minutes, or remove their canopy. There can be occasional gusts of wind in Templeton, and it would be tragic if you lost your canopy or some of your product to a freak gust, or worse yet, your neighbors' tent or product.

For INSIDE vendors, per the County of San Luis Obispo:

At no time may Permittee nail, staple, or glue decorations to ceiling, rafters, walls, painted surfaces, fabrics, or floors, or hang anything from rafters or light fixtures. Permittee may use only "painter's tape" on walls or floors. All decorations must be flame-proof in accordance with local fire regulations.

Booths INSIDE the Main Hall have either a single entrance or are on a corner. All booths INSIDE are either back to back with another vendor or a wall. Please return your chairs to the appropriate storage rack, and table(s) if you rented a table.

For ALL vendors, please remove all trash, paper, zip tie fragments or any other rubbish from the area of your booth space. We want to remain good stewards of this facility so we can be invited back next year.

Day-of Set up and Load in/out details

- Vendors may start arriving **NO EARLIER THAN 8:00am on Saturday.**
- ALL vendor vehicles must be removed from the American Legion Hall parking lot by 9:30am. Vendor parking is available on the streets near the hall, but NOT on the side street along the Hall.
- Please do not start packing up until after 4:00pm. Early packing up and leaving before 4:00pm is a good way to not be invited back to future events. Please be considerate to your fellow vendors.

You may load in/out from the front entrance of the American Legion Hall or from the rear side entrance on the north side of the Hall.

Money, Change and Payment Processing

How you accept payment for your goods is also up to you (cash, check, card or electronic). There are many options for credit card and online payment processing available out there with varying fees associated with them. The most common are: PayPal, Square, Venmo, and Zelle.

REMEMBER to charge your card readers and devices ahead of time, and practice using them with your phones and/or devices **BEFORE** the event!!! Also, bring back up chargers, readers or devices just in case. There is limited access to electricity and overloading any of the outlets may result in bad news.

Please note, the Craft Fair will **NOT** have change available for vendors. Please bring enough cash and change for your business. For my events, my cash bag always has the following amounts: \$20 in ones, \$30 in fives, and \$20 in tens. How you manage your cash change is up to you.

There is **NO WiFi** available at the American Legion Hall. You will need to bring your own Mobile/WiFi hotspot if you need internet access.

Food & Snacks

We realize it's a long day, and if you're like me you pack a bag full of snacks.

We look forward to a well-attended event in 2024! I love supporting our local makers and small businesses by providing a local venue for you to sell your wares and build your business.
