

# THE WINFIELD GLIMPSES

Celebrating Our Community

Autumn 2022

Enjoy autumn in Winfield!  
Good Old Days 2022  
(schedule on page 7)  
Winfield Annual Art Festival  
(back page)

## Good Old Days 2022 is Right Around the Corner

Good Old Days 2022 is right around the corner September 9-11. This is our Village's 55th annual festival so our theme is Double Nickels – It's a Pickle! You'll see fun and quirky references to the theme at the Winfield Historical Society's booth on Church Street and the Winfield Lion's Club booth in the beer garden. Listen to live music all weekend long starting Thursday evening. Seven bands are scheduled to perform so grab your favorite lawn chair or take a seat under the tent in our chairs, and come on out!

We'll have some new activities and food choices this year. Our Kid's Zone will have more inflatables for the kids to play on, there will be face painting and a balloon artist on Saturday, and a stilt walker on Sunday. And new this year is interactive NASCAR style racing on Saturday, which you won't want to miss!

We're excited about our "Taste of Winfield" this year with some of our local restaurants participating:

- **KOC concessions'** pub burgers, cheeseburgers, hot dogs, fresh brats, Italian and Polish sausages, fried pork chops, pizza from Caliendo's, and pop & water.
- **La India** will be back this year with funnel cakes, deep fried Oreos, curly chips, fried mozzarella sticks, cheese curds, chicken tenders, corn dogs, and elotes.

- **Somsri Thai Cuisine** will be serving up chicken satay, egg rolls, crab Rangoon, mango sticky rice, spring rolls, and papaya salad.
- **Kool Kat** will be providing cold sweet ice cream and custard.
- **Scone House Café** will be selling their delectable savory and sweet scones.
- **La Birria Loca** (coming soon) will be serving up tacos, quesadillas, and elotes!

And of course a large variety of ice cold beverages will be available for purchase. Both the food and beverage booths will be located in the beer garden this year.

Our local not-for-profits will be located on Church Street; **Winfield Police Department/VIPS** including a Lost & Found; **Winfield Park District**, and **Winfield Historical Society**. Our business vendors will also be on Church street and include local businesses **Gracie's Petals** and **Manbot Coffee Roasters**, and **Mary's Juice Plus** from the Farmer's Market, along with **Matrix Home Solutions** and **Eagle Academy Martial Arts**.

This year's festival wouldn't be possible without the generous support of the Village of Winfield, Northwestern Medicine CDH, CartonCraft Inc, The Tony Reyes Family Foundation, SBC Waste Solutions Inc., Winfield Park District, and several anonymous donors.

September 9-11

See a complete schedule of events on page 7.

## WIA – Winfield Giants capture Pony League Championship

By Giants Coaches  
Bob Kliebhan & Adam Fitzenreider

The Winfield Giants were road warriors during this year's Pony League Play-offs. The play-offs began with a tight 9-8 victory over the Lombard Orioles and loss to the Lombard Red Sox. Working now with one loss, the Giants needed to sweep the rest of their games to stay alive. On June 17th the run began with a 15-8 win over the Wheatland Cubs. This game was the third in row the Giants played shorthanded (eight players instead of nine) due to injury. The Giants got their "big inning" in the top of the third scoring 5 runs on three hits and two walks. The "big inning" became a theme.

June 20th back in Lombard, and back with nine players, the Giants won 15-2 against the Lombard Giants with the big inning coming in the third where they scored 8 runs behind six hits and three walks. June 22nd back in Wheatland against the White Sox, the Giants won 10-8 with the big inning coming in the 6th where they scored 5 runs on five hits and one walk. June 23rd – Finally a home game, at Glasshagel Field, under the lights, the Wheaton Rays and Giants had a fantastic game. Well played with tons of action, the Giants jumped out to an early lead powered by their big inning in the 3rd where they scored 7 runs behind four hits and three walks. The Rays mounted a furious comeback in the top of the seventh tying the game at 12 -12 as the Giants held on. In dramatic fashion, Giants won the game in the bottom of the 7th after two outs and with a full count – Dylan Mason hit a walk off double giving the Giants a 13-12 victory. June 24th back in Lombard, the Giants won 9-8 against the Indians with the big inning again in the third where the Giants scored 4 runs behind four hits and three walks. Leading to the Championship Game on Saturday June 25th in Lombard against the Red Sox.

The Giants were back to being shorthanded, playing with eight. After falling behind by three at the end of the first, starting pitcher Jeff Syme settled in and found his groove. After a scoreless second inning, the Giants bats came alive inspired by Manny Figueroa, unable to play, but in full uniform supporting his team. Three big innings followed. In the third, the Giants scored 4 runs behind three straight singles and an inside park Home Run by Dirk Ulbrich. In the fourth, they scored 6 more runs

## Fire District Voters Approve Referendum

Residents of the Winfield Fire Protection District voted on Tuesday, June 28 to increase their taxes to provide additional needed resources for their first responders. Voters approved ambulance service in 1985, but this is the first approval to increase the fire district's budget. Trustees' referenda requests have previously been rejected 13 times since 1993.

Eighty percent of the nearly 2,400 annual 9-1-1 calls are for medical assistance, so trustees sought a budget increase to ensure adequate medical response capability as call volumes grow every year.

New funds will be used for three things:

- Hire one additional ambulance crew (two new staff positions)
- Ambulance replacement
- Station renovations

Chief Evans estimated the timeline for implementation:

### September

- New ambulance (ordered last year) in service
- Selection of an architect to advise on projects and finalize remodel vs. new construction plan options

### October

- Trustees will place an order for a new ambulance (to replace the current Ambulance 31, 12 years old)

### Winter 2022

- Public meeting to discuss fire station renovation vs. new construction
- Trustees approve facility plan
- New staff interviews, hiring, and training

### Summer 2023

- New fire engine (ordered last year) in service
- Ongoing new staff hiring & training
- Order final replacement ambulance (to replace current Ambulance 32, 17 years old)

### Summer 2024

- Completion of construction projects
- 2nd medic crew begins full-time service (timed with delivery of new ambulance)

# WIA – Winfield Giants continued from page 1

powered by a walk, two singles, then three inside the park Home Runs in row! Those homers were hit by JJ Juarez, Tommy Weber, and Dirk, his second of the game! In the fifth, the Giants plated three more runs generated by a leadoff walk by Lucas Juarez, followed by three consecutive singles by Jack Shiffer, Cole Fitzenreider, and JJ. Winfield had a commanding lead after 5 innings 13-3. In the bottom of the sixth, the Red Sox rally ended because of a great catch by Alex Keough in left center field. Jack who replaced Jeff for the sixth inning, closed out the seventh preserving the win and Giants were Champions winning 14 – 7.

## Congratulations, Giants!

# American Scenic Byways: A Day Trip Away

*Text and Photos by Ellen Manyon*

In 1991, Congress created the National Scenic Byways Program to recognize American roads that are symbolic of history, culture, natural beauty, archeological richness and/or recreational adventures. We are fortunate to have six National Scenic Byways running through Illinois, and two are within a short driving distance from Winfield: the Illinois sections of Historic Route 66 and the Lincoln Highway.

Dedicated in 1913, the Lincoln Highway runs east-west from New York City to San Francisco. Commissioned in 1926, Route 66 runs from Chicago to Los Angeles. Both roads saw an increase in cross country travel from the 1930s through the 1950s. Beginning in 1956, the Interstate Highway System eventually became the road of choice for motorists, and Route 66 and the Lincoln Highway fell into disuse and disrepair.

Over time the historic value of these decommissioned roads increased and the Illinois sections of the Lincoln Highway and Historic Route 66 became part of the National Scenic Byways program. Even more exciting to motorheads, both roads intersect ONLY in Illinois: at Plainfield and at Joliet. So, let's begin our adventure by avoiding the toll roads, relaxing with some good music and hitting the road!

From Winfield, I took Roosevelt Road east to IL-53 south. It's a crowded 4-lane highway through Glen Ellyn, Lisle, Woodridge, Romeoville and Crest Hill. Heading further south, IL-53 becomes Historic Illinois Route 66 as it intersects with Joliet Road, near a sprawling logistics park. If you turn left here, you can have a delicious chicken dinner at White Fence Farm, just up the road on Historic Route 66.

I turned right, however, to follow Historic Route 66 to Joliet, along the Des Plaines River, past the Stateville Correctional Facility, Lewis University, nature preserves and heavy industry. Driving closer to Joliet the road became very rough and the houses appear scrappy and care-worn. Soon, though, on the right appears the delightful garage "Dicks on Route 66" with a fun display of vehicles on the roof and a section of the old brick paved Route 66 that you can stand on.

Next stop is the Rich & Creamy ice cream shop, open only in the summer, with "Jake and Elwood Blues" performing on the rooftop.

Next stop would have been the Joliet Area Historical Society and Route 66 Welcome Center and then onto the Joliet intersection of Historic Route 66 and the Illinois Lincoln Highway at IL-53 and U.S. Route 30, but the bridges were up over the Des Plaines River. I proceeded south to U. S. Route 30, and drove to Plainfield on the Lincoln Highway.

Soon I arrived at my destination: the intersection

of two important American Scenic Byways, Historic Illinois Route 66 and the Illinois Lincoln Highway at Joliet Road and Route 59.

I traveled north on Route 59 to Lockport Street, which led me to Plainfield's historic district with its distinctively paved cross walks, beautiful curbside landscaping and historic buildings with a fresh coat of paint.

For lunch and refreshments, I stopped at NWB or Next Whiskey Bar, a few blocks from the Masonic Block. The restaurant showcases a vast array of whiskey bottles from around the world. The labels, bottle decorations and stoppers are fascinating to behold!

*continued on page 6*

*Clockwise from left: Following Historic Route 66 included a visit near Joliet to the Dick's on 66 garage and a chunk of the original roadway. Jake and Elwood Blues figures atop the Joliet Kicks on 66 facility.*

# Winfield's New Waste Removal Company is Woman-Owned and Environmentally Conscious

By Jennie Fleming

Waste disposal can be a messy business, but the woman-owned business of S.B.C. Waste Solutions, Inc. is cleaning up that perception and challenging customers to see the impact these essential workers can have in their communities.

In 2018, Karen Coley and her partners started S.B.C. Waste Solutions with 4 garbage trucks. Today, they service Winfield, Bloomingdale, Indian Head Park, and Bridgeview with 45 trucks. S.B.C.'s culture is positive, supportive, and innovative. Each truck is named after a company value, such as "Kindness" and "Dedication". A lounge with coffee and ice cream is one way the S.B.C. family shows appreciation to their drivers. S.B.C. regularly sponsors youth sports and festivals and celebrates a senior resident and a resident each month.

S.B.C. is certified by the Women's Business Enterprise National Council (WBENC). That is considered the gold standard for women-owned businesses in the U.S. "WBENC Certification validates that a business is at least 51 percent owned, controlled, operated, and managed by a woman or women. This means one or more women must have unrestricted control of the business, a demonstrated management of day-to-day operations, and a proportionate investment of

## I'M NOT JUST A REALTOR, I'M ALSO YOUR NEIGHBOR

capital or expertise. To become certified, business owners undergo a thorough vetting process, including review of business documentation, and a site visit." (Source [www.wbenc.org](http://www.wbenc.org))

One goal that drives the company's progress is sustainability. They have strict guidelines in place for recycling and yard waste to ensure good stewardship of the environment. One piece of garbage in a yard waste tote, for example, will contaminate the entire truck and none of the yard waste will be accepted for compost. Ongoing, S.B.C. is looking for better ways to recycle plastic. Winfield's village hall has a recycling program through S.B.C. for batteries and light bulbs. Please visit the website to learn more about the recycling program <https://www.sbcwastesolutions.com/recycling>.

In keeping with that same goal of sustainability, S.B.C. signed a letter of intent, with 9 other businesses in Broadview, to be solar powered by the end of 2023. S.B.C. is leading the initiative to be the first solar powered business corridor in Illinois.

# TIF #2 Lawsuit Recent Updates

By Lisa Goodwin

In November of last year, the Village of Winfield's plan for a second TIF district came to a halt when School District 34 filed a lawsuit against the Village to block it. School District 34 filed the suit after walking away from negotiations with the Village over revenue sharing agreements with all the

taxing bodies. Since then, School District 94 has also joined the lawsuit.

Of the two issues raised in the D34 lawsuit, the Village has managed to dismiss the first one. The first argument was a procedural one in which D34 argued that under the state TIF Act, the Village could not remove properties from first TIF district and place them into the second TIF. The Village denied that their plan circumvented the existing TIF laws. On June 22, the court agreed that the Village had complied with the provisions of the TIF Act and dismissed that argument.

Unfortunately, that doesn't mean the lawsuit is over. The remaining issue in the D34 complaint, that the area within TIF #2 is not actually blighted and does not need a TIF to support new development, has not yet been addressed by the court. The Village answers that they have produced

evidence that the area is blighted, or run-down, and the lots do not support modern and effective land use.

D34 also argues that of the 51 parcels, CDH owns 31 of them, the Village owns 10, and the small, irregular lots could be easily consolidated. The District maintains that a developer is currently interested in Town Center because CDH is already developing other lots in Town Center that it already owns. The Village argues that the private ownership of the land outside the TIF district is not a factor in the blighted lots within the TIF.

The validity of these last two arguments is another decision left to the judge. If the Village is successful at getting the injunction dismissed, the process to create the second TIF district can be started again, but a lot of time has been lost. If D34 is successful, the Village will not be able to proceed with TIF #2. This will leave Northwestern Medicine as the only developer interested in working in downtown Winfield, with the added advantage of also being the primary landowner.

# Get Excited to Try the Exceptional Flavors of La Birria Loca Restaurant

By Jennie Fleming

Your tastebuds are in for a treat when La Birria Loca opens in Winfield this September! This carry-out only restaurant is excited to offer birria, a traditional, yet obscure, Mexican dish served up in unique, modern ways. Owner, David (from Addison), said his grandma would make birria when he visited her, and it instantly became his favorite dish.

David has been working on this restaurant idea for a couple years with chef Abednego (from Durango, Mexico) and house manager Josef (from Melrose Park). Normally served on special occasions, birria didn't become as popular as menudo or pozole, despite the similar characteristics of using braised meat in broth. Traditionally made with goat meat, La Birria Loca will also offer a beef option for the less adventurous. The trio chose to purchase meat from a supplier that raises animals in a natural and relaxed environment, which ultimately enhances the flavor of the birria.

La Birria Loca, located at 27W570 High Lake Road (formerly Gnarly Knots), will also serve a homemade "elote" (Mexican corn) using an original family recipe, along with a variety of desserts from Sturino's Sweets in Roselle.

Restaurant hours will be 11am-6pm, Tuesday through Sunday, closed on Mondays. Cash and card accepted, however La Birria Loca will be a coinless operation, letting customers choose if they'd like to round up their order total to the nearest dollar with proceeds going to benefit local school districts' and independent music education programs.

Don't miss the Winfield Arts Festival!

# Scenic Byways

continued from page 3

From the drink menu, I selected the NWB Old Fashioned, and for lunch the chicken and waffles. The drink came with a huge ice cube and a long sliver of orange peel. It tasted light and a little bitter. It wasn't as smooth or as tasty as the Old-Fashioned cocktail served at Winfield's own Berger Bros Pub.

The chicken and waffles arrived hot and steamy. The crunchy waffles tasted sweet, like a carnival funnel cake drizzled with a delicious maple cream sauce. The tender, boneless chicken cutlet with a waffle batter coating was crispy on the outside and juicy on the inside. A generous side of lightly salted French fries helped to offset the sweetness of the chicken and waffles.

Lastly, I strolled through the historic district, window shopping and admiring the variety of architectural styles. Then I jumped in the car, headed north

on Route 59 back home to Winfield. All in all, this 60-mile round trip took only four hours including stops.

★ *Happy motoring!* ★

Right: Street signs in Plainfield show the confluence of historic and modern roads.

Below: A small sample of the array of whiskey bottles from around the world at the NWB in Plainfield.

# The Winfield Education Foundation Celebrating New Beginnings

By Emily Alanis and Eileen Tibble

The Winfield Education Foundation (WEF) and District 34 Parent Teacher Organization (PTO) enter this year with grateful and eager hearts. With ongoing support from community partners, business sponsors, donors and volunteers, we are planning some fun, new initiatives and opportunities to bring our community together this school year!

The Winfield Education Foundation is a volunteer-based, 501(c)(3) organization which aims to raise and grant funds for programs that enhance and enrich District 34 students' educational opportunities. While our core mission focuses on enhancing our students' educational experiences, we will continue to work to support families, staff, local businesses and organizations in our community.

Generous support from families and businesses last year, along with the hard work of volunteers, enabled us to fund initiatives such as educational grants, essential needs programs, staff and student recognition initiatives, and educational seminars.

We are pleased to announce our latest special project, funded leveraging the support of local businesses through our 2022 Tiger Run 5K fundraiser,

Middle school playground gaga ball pit

along with support of a Northwestern Medicine grant: a middle school playground gaga ball pit!

## Our fall Initiatives this year include:

- Student Directory and Drama Playbill Advertising  
Support education in our community with the purchase of a student directory or spring drama production playbill ad. Cost: \$25 for directory; \$15 for playbill; \$35 for both. Reserve your directory ad by September 30th and playbill ad by Feb 10th! Email [wef@winfield34.org](mailto:wef@winfield34.org).

- Winfield Community Health and Safety Event  
Wednesday, September 28th 3:30-7:00pm  
School District 34 Central School Cafeteria, Gym, rear parking lot

Join Winfield's Fire, Police, Park District, Library, Northwestern CDH, Versiti Blood Center, the Winfield 34 Wellness Committee and PTO/WEF for a fun-filled evening celebrating a healthy and safe community. Anyone 16 and older is welcome to make an appointment to donate blood at: <https://tinyurl.com/Winfield34Sept28>. (Blood Donation is not required to attend the event and appointments are not

needed for the actual health and safety event.)

- Essential Needs Fund

Our "essential needs" fund supports students and families, since academic achievement requires first having basic needs met. We have begun this year with the purchase of student school supply kits and a school supply drive through labor day weekend. Supply Drop-off locations: Fire Station, Park District, Library and Central and Primary School Offices. Needed Items: Sharpened Pencils, 3-subject notebooks, single subject spiral notebooks, glue sticks, plain folders (without 3 holes), colored pencils, crayons, tissues and expo markers (thick & thin). Please contact us at [wef@winfield34.org](mailto:wef@winfield34.org) for other ways to contribute.

## Volunteer Opportunities

Meet new people and make a difference in your community by volunteering with WEF! Spend as little or as much time as you prefer.

Fri, September 9th Good Old Days Kid Area Volunteers Needed – 2-hour shifts, sell wristbands for entry, check wristbands for reentry and help create a fun/safe atmosphere.

Wed, September 28th Health and Safety Event Volunteers – 2-hour shifts, to help folks check-in

(scan QR code) and check-out and support our community partner stations.

Communications/PR – help us raise awareness in the community and promote events and initiatives, can commitment can vary based around your schedule

Website Updates – help update the WEF website roughly once/week

See our website for details on our initiatives, which are possible because of your generous support. We are proud to recognize our community partners through our websites, social media, and district communications.

# Charity Concert Garners Onesti Entertainment Donation

In recent years, Tony Reyes, through CartonCraft and the Tony Reyes Family Foundation, Inc. has given in excess of \$600,000 back to the community. All of the charitable recipients have a common theme; sick children and their families, organizations supporting abused women and children, organizations supporting returning military veterans and

supporting the education of young men and women. The list of organizations that have received grants from the Tony Reyes Family Foundation range from Ronald McDonald House Charities of Chicagoland & Northwest Indiana, Winfield Knights of Columbus Council 8002, Misericordia, Shriner's Children's Hospital, Lazarus House and the list

goes on and on.

Helping those in need will continue to form the basis of the Tony Reyes Family Foundation moving forward. Our goal is to help the many people and organizations that fit our mission, vision and values so that our support continues to make a difference. <https://thetonyreyesfamilyfoundation.org/>.

**THE WINFIELD FOUNDATION**

A non-profit 501(c)(3) established in 2020 as an independent Winfield organization to facilitate and provide support for initiatives that may include a variety of educational and entertainment events as directed by the Foundation Board to benefit Winfield residents.

Several events are now being scheduled

Fall date TBD @ Winfield Riverwalk Bandshell  
Dependent on bandshell completion  
**Members of the DuPage Symphony Orchestra**

Sept 20, Tuesday @ Klein Creek  
**Winfield Foundation Annual Golf Outing**

Oct 8, Saturday @ Winfield Riverwalk  
**Craft Brew Fest and Music at the Riverwalk**

**Winfield Criterium & Summerfest**  
Great Success—Thanks to everyone

# New America250 Promotion at Winfield Farmers Market

Beginning Wednesday, September 7th, the Winfield Farmers Market (WFM) will start offering its shoppers an opportunity to earn WFM Vendor Bucks in an unusual, if not nostalgically historical way.

The center spread of the Spring issue of *The Winfield Glimpses* featured an article, along with a crossword puzzle, created by WFM manager Rich

Bysina, getting an early start on what will be a year-long celebration of America's 250th anniversary, officially called the Semiquincentennial. Anyone can visit the America250 website: [www.america250.org](http://www.america250.org).

Copies of this center spread feature will be available in a free take-one display in the middle of the WFM shoppers aisle through the last day of the 2022 market, October 26th.

Anyone who turns in a correctly completed "100 Significant Americans of the 20th Century" crossword puzzle to Bysina will receive ten WFM Vendor Bucks to spend at any vendor's booth. (Note: Completed puzzles can also be mailed to: Rich Bysina, 1331 Branchwood Circle #102, Naperville, IL 60563. The Vendor Bucks will then be mailed.)

The Winfield Farmers Market is located in the Prairie Trail Center shopping plaza, SW corner of County Farm and Geneva Roads, open each Wednesday 7am-1pm, June through October.

## THE BARBER SHOPPE

On August 1st, the Knights presented scholarships to the following 2022 winners at a barbeque at St. John's Pavilion. In photo: Hayden Janavich, Melissa LaCroix (standing in for Victoria LaCroix), Ryan Lyngaas, Norby Herbert, Dulce Reyes, Bridget Weber. Not present: Madison Thomas, Anne Otto. Congratulations to these Scholarship recipients! The next scholarship fundraising dinner is September 8th, see ad on page 6.

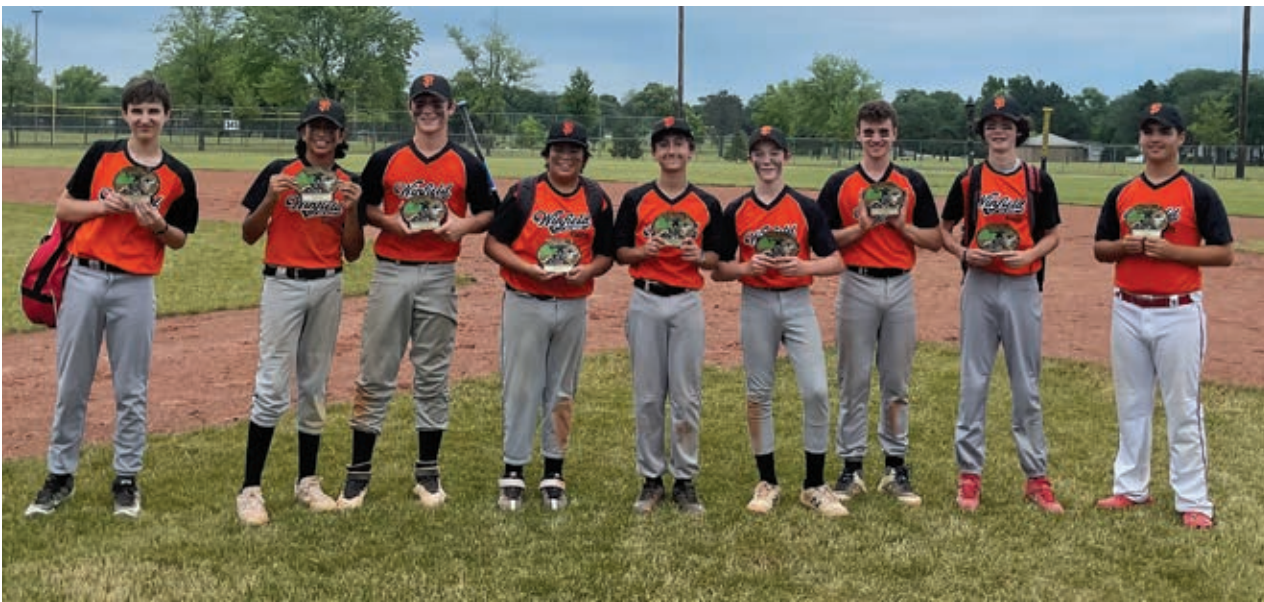

## Traveling back in time with Terry Lynch to Corps of Discovery Expedition

By Ellen Manyon

The Winfield Historical Society and the Winfield Public Library work together to create the wonderful Historical Program Series. Recently, the library hosted Meriwether Lewis, of Lewis and Clark fame, as portrayed by Terry Lynch. Together we traveled through the uncharted territory of the Missouri River to the Pacific Coast in 1804 America.

Audience participation ensued when Lynch recruited willing volunteers to portray members of the Corps of Discovery team. Weaving back and forth from 1804 to present day, Mr. Lynch did a fine job of describing how Lewis and Clark explored, recorded and survived through an important part of our American history.

Beyond Meriwether Lewis, Terry Lynch has a rousing roster of 60 different characters that he portrays for library, historical societies and school programs. For more information go to <https://www.hfkpresents.com>. The next Historical Program is "Rails to the Farm" on September 22 at 7pm. Call the Winfield Library for more information at 630-653-7599.

The WIA Winfield Giants captured the Pony League Championship on Saturday, June 25th in an exciting game in Lombard against the Red Sox. See the story on page 1.

Terry Lynch as Meriwether Lewis
