## **"Then Moses said, 'I pray You, show me Your glory!'" (Exodus 33:18)**

From 2010-2016, our church in Indianapolis (Burge Terrace) hosted the 3G Youth Conference, standing for God's *glory, gospel, and grace*. Each year we themed the youth conference on one of the "G's" as we sought to make much of Christ. Our fourth conference (2013) returned to highlighting God's glory. Immediately, my mind turned to Moses' passionate prayer to God in Exodus 33:18, "I pray You, show me Your glory!"

When the children of Israel worshiped the Lord by means of a golden calf, God removed His immediate presence from His people. They would soon mourn over what they had lost. But Moses, the great intercessor, pleaded with God to "come back" and dwell again in the midst of the people. The height of fervency came in his request to see the glory of the Lord, and he was granted a vision of God as the Lord put Moses in a place right next to Him!

I took the image of Moses praying to God after national sin and likened it to our prayer for revival, personal cleansing, and a greater knowledge of God, particularly as revealed in Jesus Christ. Therefore, I connected revival praying with the cross of Calvary. This song is a prayer to God to reignite our hearts for Him.

It is always a blessing to team up with my good friend Greg in writing music. I am grateful for his friendship and his ministry to the church.
