

WE WOULD SEE JESUS

Lyrics by ANDY GLEISER

Music by JAMES KOERTS

1. We have seen our great Sal - va - tion Sent by God's de - ter - mined plan.
2. We have heard God's ho - ly ver - dict, "All who sin must sure - ly die,
3. We still view the ris - en Sa - vior Through the bles - sed eyes of faith,

He's the Light that light - ens sin - ners, He lays bare the heart of man.
To be crushed by right - eous judg - ment; Just - ice must be sat - is - fied!"
And by such a view of glo - ry To His im - age we are changed.

Christ be - came our hum - ble ser - vant, Touch - ing sin - ners, meet - ing needs;
Christ be - came our Me - di - a - tor, Dy - ing in our guilt - y stead.
Christ will soon re - turn tri - um - phant, All His glo - ry on dis - play.

For His love and pi - ty moved Him To re - lieve sin's mis - er - y.
There His mer - cy kissed His jus - tice, Rec - on - cil - ing God and man.
By a - chiev - ing our re - demp - tion, He has earned e - ter - nal praise!

Oh once more we would see Je - sus In the glo - rious gos - pel's light!

There our God un - veils His glo - ry In the face of Je - sus Christ.
