

The background of the entire advertisement is a vibrant, stylized image of the Indianapolis Motor Speedway. At the top, a wooden sign with the words "WELCOME TO SPEEDWAY" in bold, yellow, sans-serif capital letters is mounted. Above the sign, two checkered racing flags are crossed over a large, detailed race car wheel. Below the sign, a blue and yellow open-wheel race car is shown from a front-three-quarter perspective, driving on a track. The scene is filled with dynamic elements like sparks and motion blur, creating a sense of high speed and excitement.
