

BUSINESS SOLUTIONS

Armed and unarmed agents trained in providing security for high-rise buildings, corporate centers, industrial complexes, entertainment venues and convention centers. Our business solutions include:

- Concierge Services
- Alarm and CCTV monitoring
- Perimeter Patrols
- Console Operations
- Access Control
- Security Screening
- Uniformed Guards

WORKPLACE VIOLENCE

Workplace violence is an increasing concern for businesses. More than 1.63 million workers are assaulted and more than 900 are murdered each year according to the Bureau of Labor Statistics. That means that on average, 3 people will be murdered on the job each day in the United States.

Employee terminations, layoffs and disgruntled workers require agents trained in conflict resolution and threat management. Platinum Protection Group has off-duty and retired police officers with years of law enforcement experience available 24-hours a day.

ABOUT PLATINUM PROTECTION GROUP

Platinum Protection Group offers exclusive physical and investigative solutions nationwide. We are uniquely qualified to provide you with a security solution customized to meet your specific needs. We are committed to exceeding client expectations by consistently delivering effective security solutions consistent with our commitment to professionalism.

As a former Deputy Chief of Police of a Los Angeles county police department, the President of the company has over two decades of law enforcement experience. No other company has assembled such a diverse team of highly trained and experienced security professionals.

Our training requirements and standards of conduct are unparalleled in the industry! Our agents exemplify their chosen profession and take tremendous pride in representing Platinum Protection Group. It's not just a job, it's a commitment!

CELEBRITY AND DIGNITARY PROTECTION

Kidnapping, robbery and criminal assaults are a real threat. Corporate executives, celebrities, dignitaries and other high-profile individuals all trust Platinum Protection Group with their safety. We partner our clients with former military or police personnel that are experts in martial arts, special weapons and tactics, defensive driving, counter-surveillance, advance work and weaponless defense. Discrete, competent and effective; PPG is the only choice for personal protection.

OUR SERVICES

ESTATE SECURITY

Your home, your family; our commitment to providing only the most highly trained protection agents in the industry. Our agents are bound by strict privacy policies and dedicated to duty. Never compromise you or your family's security—we won't!

PRIVATE PARTIES, WEDDINGS AND SOCIAL EVENTS

When your special occasion requires a security presence that is effective yet unobtrusive, we'll select agents well suited for your special event, properly attired in a suit and tie or tuxedo.

ENTERTAINMENT INDUSTRY

On location, domestic or international, we have an extensive network of professionals who specialize in the motion picture and television industry.

PUBLIC SAFETY SOLUTIONS

Communities and local law enforcement agencies are beginning to see the benefit in partnering with private security companies to provide additional security and safety resources. Our uniformed officers can patrol by car, bike or on foot. Armed or unarmed.

SITE SECURITY

Theft and vandalism at construction sites, shopping centers, malls and other commercial establishments has increased exponentially. PPG offers roving patrols and fixed post guards 24-hours a day.

RESTAURANTS AND RESORTS

Already providing security at some of the nations most exclusive venues, Platinum Protection Group can provide a full service security solution for any location.
