

Male Sexuality Questionnaire #1

1	Answer yes if your parent(s) had any one or more of the traits listed.	YES		NO
	a. If you were raised by both parents (up to age 15 or 16), was your father more outward and demonstrative in showing affection for you than your mother, (e.g., by hugging, verbalizing feelings, compliments)?			
	b. If you were raised by your father only, was he outward and demonstrative in showing affection for you?			
	c. If you were raised by your mother only, was she outward and demonstrative in showing affection for you?			
2	Do you often desire repeated sex with your partner?	YES		NO
3	After a disagreement with your partner, do you usually make up first?	YES		NO
4	Are you more jealous or possessive of your partner than your partner is of you?	YES		NO
5	Do you feel that having sex after an argument is a good way to make up?	YES		NO
6	Do you like to show your partner attention by opening doors, helping them with their coat, pulling their chair out before they sit down, etc.?	YES		NO
7	Immediately following the sex act, do you like to touch and caress your partner?	YES		NO
8	If you feel that you have been unfairly criticized or rejected by your partner, are you capable of expressing extreme anger, tantrums, or vindictiveness?	YES		NO
9	When you meet someone you are attracted to, are you attracted to the area of their body from the waist down rather than the waist up?	YES		NO
10	If you have been strongly rejected by your partner, do you feel actual physical discomfort or pain?	YES		NO
11	Is it important to you to share most of your social activities and hobbies with your partner?	YES		NO
12	If your partner breaks off a relationship that you did not want to end, do you find that all your energies and thoughts keep drifting back to them and you have difficulty concentrating on anything else?	YES		NO
13	Do you agree with your partner at times to prevent them from turning off sexually, even when you think they are wrong?	YES		NO
14	Do you feel that you give more of yourself to your partner than they do to you?	YES		NO
15	Would you like your partner to be more sexually aggressive and creative than they are?	YES		NO
16	Do you enjoy receiving attention and flattery from your partner in the presence of others?	YES		NO
17	Is your relationship your number one priority?	YES		NO
18	If you suspected your partner of cheating, would you put the greatest degree of blame on the other person for leading them astray?	YES		NO
19	Do you feel that you have a greater capacity for love and deep emotional feelings than your partner?	YES		NO
20	Does it disturb you if your partner's sex drive diminishes after the newness of the relationship wears off?	YES		NO

Male Sexuality Questionnaire #2

1	Answer yes if your parent(s) had any one or more of the traits listed.		YES	NO
	a. If you were raised by both parents (up to age 15 or 16), was your father more passive and undemonstrative in showing affection for you than your mother?			
	b. If you were raised by your father only, was he undemonstrative, passive, cold, withdrawn or overly strict?			
	c. If you were raised by your mother only, was she undemonstrative, passive, cold, withdrawn or overly strict?			
2	Instead of complimenting your partner, do you usually take the attitude that as long as you do not complain, everything is OK?		YES	NO
3	Is the expectation of sex often greater than the actual physical act?		YES	NO
4	Do you feel that it is unnecessary to buy small gifts of appreciation for your partner, even though you may do it?		YES	NO
5	When you make up after a fight, do you still feel resentment and find it difficult to fully forgive?		YES	NO
6	Does your partner want sex more often than you do?		YES	NO
7	Do you dislike "wining and dining" a date in order to have sex (assuming that money is no object)?		YES	NO
8	Answer yes or no to either a. or b.		YES	NO
	a. If in a committed relationship, do you have, or prefer to have, an additional relationship outside of it?			
	b. If single, do you usually have one steady partner but date other people at the same time?			
9	Would you avoid or refuse to have sex with your partner after an argument?		YES	NO
10	Would you rather avoid verbally expressing love, tenderness or affection, immediately following sex?		YES	NO
11	When you meet someone new, are you first attracted to their mind and intellect, rather than to them in a sexual way?		YES	NO
12	Do you turn off during sex, if distracted by small talk or a comment you feel criticizes you?		YES	NO
13	Are you constantly searching outside of your relationship for the "romance" you feel is missing in your life?		YES	NO
14	Do you find that as the newness of a relationship wears off, your sex drive towards your partner diminishes?		YES	NO
15	Would you have a strong resentment against a person demanding a commitment, even though you are well established in your career, but you weren't ready?		YES	NO
16	Do you have the attitude that, if you felt the same way before the sex act that you feel five minutes after, you would never have sex?		YES	NO
17	During the sex act, would you prefer to avoid verbally expressing the different physical and emotional feelings you are experiencing?		YES	NO
18	During an argument, does your partner tend to throw back at you things you said or did in the past that hurt, angered or rejected them?		YES	NO
19	When you are having sex with your partner, do you often fantasize about someone else or about another sex act?		YES	NO
20	Does it annoy you to have to reassure your partner by giving them compliments or attention that they outwardly solicit from you?		YES	NO
