We can decorate the entire hall in whatever color and theme you wish, including runners on the tables, sashes on the chairs, one or two backdrops, and a tablecloth on our cake table. We have sequin, silk and sheer curtains to make beautiful backdrops. We also have multiple theme-related centerpieces. There is a small fee for this service. However, should you choose to decorate yourself, you are welcome to do so. The choice is yours.

You can use your own DJ; however, should you use our DJ, his fee is \$100 an hour, or \$400.

Per Jefferson Parish law, a detail officer must be present at all nighttime events, at a cost of \$50 an hour.
