Additional Information:

We will slice and serve your cake and we will buss the tables periodically throughout the party. We will supply a waitstaff and will do all clean-up when your event is over.

Décor:

We can decorate the entire hall in whatever color and theme you wish, including runners on the tables, sashes on the chairs, one or two backdrops, and a tablecloth on our cake table. We have sequin, silk and sheer curtains to make beautiful backdrops. We also have multiple theme-related centerpieces. There is a small fee for this service. However, should you choose to decorate yourself, you are welcome to do so. The choice is yours.
