

Air Component Solutions

PP Pad

Key Features:

Anti Slip & Shock Absorbing Base

It can withstand a maximum weight of 2500 pounds.

Orange peel can enhance friction and prevent equipment from slipping.

Ribs can better ensure stability and self leveling on various surfaces.

It can be waterproof, oil resistant, fireproof, and UV resistant.

18"X38"X3" = 3.6KG

32"X32"X3" = 6.3KG

36"X36"X3" = 7.8KG
