

DISCOVER JUICY SECRETS ABOUT OUR MATANZAS RIVER

Presented by Jen Lomberg, Matanzas
Riverkeeper

February 18th at 6:30 pm

Matanzas Shore Beach Club
110 E. Collector Rd.

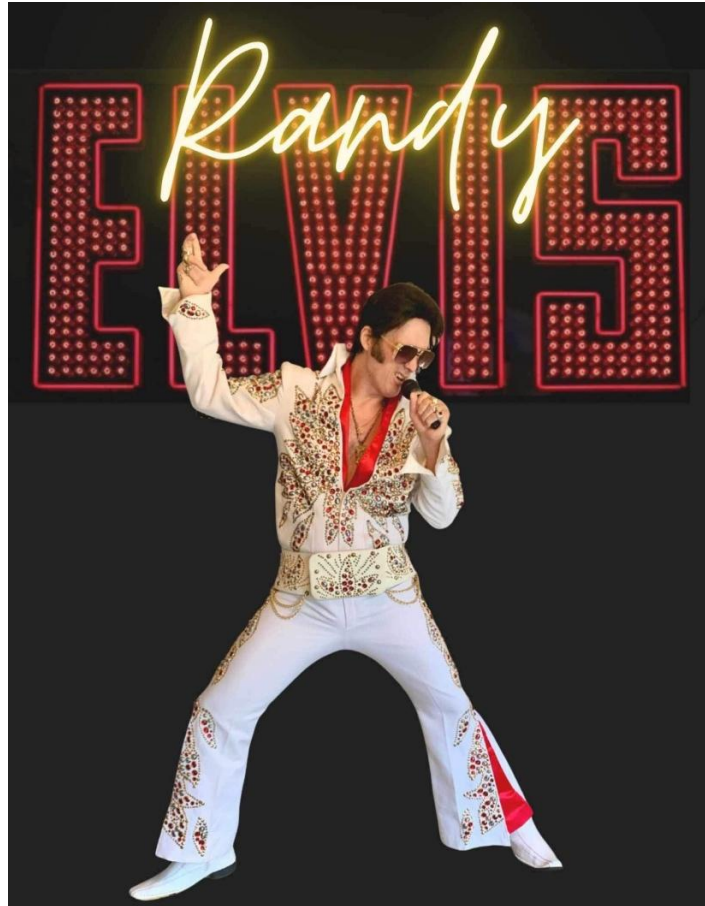

Refreshments will be provided.

Welcome to the Matanzas River – a stunning stretch of estuarine magic flowing from St. Augustine southward, where Spanish conquistadors clashed, Native Americans danced with dolphins, and today's heroes battle to keep it sparkling clean.

Matanzas Riverkeeper is a non-profit organization dedicated to protecting the health of the Guana, Tolomato, Matanzas estuary and watershed through advocacy, education, and community engagement. Our very own Matanzas Riverkeeper, Jen Lomberg, will be discussing the work that Matanzas Riverkeeper does, the current health of our local waterways, and what you can do to help keep our water clean.
