

Friends of the Bandera Library

The Friends of the Bandera Library need you! County funding of the Library does not extend to the library collection. Last year grants from the Friends of the Library helped purchase almost 700 books and periodicals, a major increase in eBook best sellers available on Libby, and selected library programs for children and adults.

Not a reader? Consider this: the library provides fee services such as copies, scanning, and a notary, plus free charging stations, meeting rooms and CD players. There are multiple activities, clubs, murder mystery challenges, story time for children, Dungeons and Dragons, Girls who Code, and book delivery in partnership with Meals on Wheels. And that is just a start!

Why do we mention this? With books and materials already funded, the library is able to expand its mission of lifelong learning, enrichment and community service.
