

CEO-Edge Member Benefits

- **Peer Board of Advisors:** Ten other very successful (non-competitive) CEOs providing candid, unbiased and invaluable feedback on most any issue – and you can be totally open with them regarding your concerns and circumstances, as they have no influence on your tenure or comp. These are leaders from different fields who see first-hand how the pace of change is accelerating dramatically – and can help with regular input on those rapidly changing opportunities and threats.
- **Learning Resources:** Exceptional speakers on engaging business and personal development topics; synopses of books on important concepts and topics; curated articles on timely and valuable ideas and facts worth knowing.
- **Strategic Execution System:** Support for optimizing implementations and reinforcing accountability for goals and KPIs.
- **Monthly Group Session:** One six-hour in-person group session each month.
- **Monthly One-to-One:** A one-hour individual session to identify & prioritize issues.
- **CEO Sharing:** Motivational ideas; Grand Gesture ideas; Family Mission-vision-values and goals exercises; review of the latest research on finding greater happiness, fulfillment, and sense of purpose in life.
- **Lunch Series:** Interesting people discussing interesting topics.
- **CEO-Edge Accredited Advisors:** Access to tested, trusted professional advisors from more than a dozen different disciplines for quick advice on urgent issues.
- **Critical Issue Teams:** Expert group member teams who can parachute in to deliver immediate advice and counsel on critical issues requiring deep and urgent attention.
- **Unique Exclusive Experiences:** Private Q&A sessions with political, financial, military, sports, and entertainment leaders; behind-the-scenes tours of interesting businesses; including some extremely unique and interesting family-friendly concerts and events.
