

## The CEO-Edge Difference

***CEO-Edge is different from other executive peer advisory groups***

### **Exclusive Membership**

- Only CEO/Presidents from companies with \$100M-\$750M in annual revenues.

- The Peer Advisory Group- Meetings are sophisticated, insightful and profoundly relevant to the leader of a large organization. You will be getting advice from the most experienced, sharpest, most successful people in dealing with the same issues you are facing. CEOs that have “been there and done that”, whether it’s an IPO, international payroll currency arbitrage, or strategic acquisitions in foreign countries. They are your true peer advisory group.
- It’s the difference between flying coach versus flying private.

**Group Chairs** – Your peer advisory group will be guided by CEO’s who have managed multiple multi-national public and private companies successfully for decades.

**Relevance** - More sophisticated and insightful information focused specifically on how to increase CEO skillsets and decision-making for leaders of major companies.

**Tailored Content** – CEO-Edge groups cover topics driven by the needs and desires of the members.

**Exclusive Insights** - Monthly presentations and confidential briefings giving members access to insights from business, political and social leaders at the highest levels.

**360 Degree Approach** - Focusing on both the business and personal issues facing leaders of large companies.

**Exclusive experiences** - Very exclusive and unique social events just for members and their families.
