

The CEO-Edge Difference

CEO-Edge is very different from other executive peer advisory groups...

Exclusive Membership

- CEO-Edge is the only peer advisory group serving CEO/Presidents from companies with over \$100M in annual revenues.

- The Peer Advisory Group - Meetings are engaging, insightful and profoundly relevant to the leader of a large organization. You will be getting feedback from the most experienced, sharpest, most successful people in dealing with the same issues you are facing. CEOs that have “been there and done that,” whether it’s an IPO, international payroll currency arbitrage, or strategic acquisitions. They are your true peer advisory group - leaders from different fields who see first-hand how the pace of change is accelerating dramatically – and can help with regular input on those rapidly changing opportunities and threats.

- Absolute confidentiality of business and personal information will be strictly enforced.

Group Chairs – Your peer advisory group will be facilitated by CEO’s who have managed multiple multi-national public and private companies successfully for decades.

Relevance - More sophisticated and insightful information focused specifically on how to hone CEO skillsets and improve decision-making for leaders of major companies.

Tailored Content – CEO-Edge groups cover topics driven by the needs and desires of the members.

Exclusive Insights - Monthly presentations and confidential briefings giving members access to insights from business, political and social leaders at the highest levels.

360 Degree Approach - Focusing on both the business and personal issues facing leaders of large companies.

Exclusive experiences - Very exclusive and unique social events just for members and their families.
