PANAMA OPTICAL

Il movimento sinuoso della sabbia si unisce in questa collezione a speciali giochi di luci ed ombre luminescenti in grado di ricreare i riflessi di un mare in tempesta. Grazie all'eleganza ottenuta dall'unione di questi diversi elementi, questa collezione rende unico e prezioso qualsiasi ambiente..

In this collection the sinuous movement of sand blends with special plays of light and bright shadows to evoke the idea of a stormy sea. The elegant combination of these two elements gives a special and unique touch to any space.

Le mouvement sinueux du sable se joint à cette collection à des jeux spéciaux de lumières et d'ombres luminescentes capables de reproduire les reflets d'une mer agitée. Grâce à l'élégance obtenue de l'union de ces différents éléments, cette collection rend toute pièce unique et précieuse.

IT - Panama Optical è un effetto decorativo per interni con speciali effetti luminescenti.

Applicare con un rullo a pelo raso una mano di OPTICAL FONDO nel colore di cartella scelto. Attendere la completa essiccazione, circa 6-8 ore. Additivare PANAMA OPTICAL BASE con il Toner HL del colore desiderato, miscelare con cura. Applicare con speciale pennello Spalter Doppio contemporaneamente i due colori di PANAMA OPTICAL scelti, senza mai invertirli. Lavorare piccole superfici alla volta, incrociando le pennellate. Prima di utilizzare il prodotto leggere attentamente la scheda tecnica.

EN - Panama Optical is a decorative effect for interiors with special luminescence effects.

Use a satin roller to apply a coat of OPTICAL FONDO in the chosen colour and wait for it to dry completely (around 6 – 8 hours). Add PANAMA OPTICAL BASE with Toner HL in the desired colour, taking care when mixing. Use a special double spalter brush to simultaneously apply the two chosen PANAMA OPTICAL colours, making sure not to reverse them. Work one small surface area at a time, with crossover brush-strokes. Before using the product read the technical specifications carefully.
