POLARIS METAL

Il movimento di piccole particelle metalliche e non, illumina le pareti in modo unico e con riflessi iridescenti o toni caldi che richiamano alla memoria le terre preziose. Grazie alla sua formulazione questa finitura è un continuo gioco che permette risultati sempre diversi e personalizzabili, ma con una semplicità applicativa che lo rende utilizzabile da chiunque.

The movement of the little metal particles with the others, lighten the walls in a unique way, with iridescent glades or warm shades evoking precious lands. Thanks to its composition, this topcoat is a continuous play giving always different and customized results, with an extremely easy application for everybody.
