

Village Hall Improvement Survey

Scan to complete online

The Management Committee of Hatfield Peverel Village Hall seeks the views of our community regarding planned improvements to the hall. Please share this very short survey with residents of Hatfield Peverel and Nounsley and anyone who may use any of the hall's rooms for private hires, music and theatre events, the Coffee Lounge, Shining Stars Nursery or any of the many sporting, educational, social and other clubs and classes that use our rooms.

PLEASE COMPLETE AND RETURN BY 30th APRIL 2026

Please post completed paper forms in the collection box in the Coffee Lounge or in the Parish Council letter box or use the QR code above to complete the survey online. All responses are in confidence and no person will be identified.

The Management Committee is considering a number of hall improvement projects and would like to understand how important each of the projects is to our hall users.

Please let us know which projects are the three most important to you

PROJECT	Priority 1	Priority 2	Priority 3
Replace uninsulated roof to reduce running costs & carbon footprint			
Install solar panels			
Add a disabled toilet in the Lounge			
Replace the stage curtains			
Improve the walkways around the Hall			
Install cycle racks			
Create a paved patio/seating area outside the Coffee Lounge			
Refurbish the main kitchen			
Something else - Please detail below			

Do you have any other suggestions for Village Hall improvement projects?

Why are your choices above important to you?

We need to explain to potential funders why the projects that we are raising funds for are important to members of our Community so your input here will be extremely helpful.
