46728-PLNWF

Coordinating *Value*

We introduced this lighting family in our last catalog and since then it has become one of our best sellers. The clean lines, faux wood finish accented with chrome and white glass make these great in transitional settings. Pair this family with nickel ceiling fans and your lighting selection is complete and in budget.

LifeStyles is proud to offer a low price guarantee on everything we sell. If you find a lower price, even on the internet, we will match it.

American Barnwood

These barn wood fixtures are made from real wood that has been finished to look like it came right off the farm. Each one is slightly different because of the hand finishing process required to get an authentic old barn wood look.
