

HOLSTON CASTAWAYS

For GPS: 572 Riverside Road. Bluff City, TN 37618

The 2022 Holston River Trip is set for April 26 (Tuesday) returning April 29 (Friday).

We have ten beds and, in addition, two sleeper couches, if needed.

The charges to cover these accommodations and 3 dinners prepared by the members is \$75.00.

Just a few yards down the hill from these houses is the South Holston River. If the release schedule cooperates with our stay, the wade fishing is excellent. However I suggest everybody pair up and hire a guide for a drift boat experience for at least one day. Fishing is available Tuesday afternoon after our arrival, Wednesday, Thursday and Friday. However on Friday we have to be out of our accommodations by 11am. But we can fish all day on the property.

I have commitments from Tom Spradling, Brad Wayne, John Pool, James Weeks, Jason Weeks. With me we only have 4 beds left, plus the two couches. If we have more interest than expected I can look around for additional accommodations.

Call me if you are interested in the trip. There are 4 beds available at this time so I need to hear from you soon if you intend to go on the trip.
