Public Comment:

Cliff lott and Dan Beaubien were both in attendance and inquired about zoning, the need for a special use permit, signage, and other odds and ends questions regarding a possible park and sell in the vacant lot next to the mdot property on N 52. Special use needed due to the zoning of the property being different than the intended use. Property owners were trying to get answers to their questions prior to spending the money on a special use permit. No motions could be made due to special use permit was not applied for yet, and no public posting or notification of neighboring properties had been completed.

Adjournment:

Motion: Buku Support: Hribar

The motion carried with unanimous support for adjournment at 7:21 pm

Respectfully Submitted,

Dawn McGee,
ATPC Secretary
