New Business:

Welcome to Julia Westgate, our newest planning commission member. The township board approved her appointment at the May 13th meeting. She's lived in our township for over 15 years and wanted to be more involved. We look forward to her being a part of the planning commission.

Old Business:

Discussion commenced regarding the conditional use permit for the proposed Park and Sell on M52 property just north of the MDOT building. A question was asked about signage. We referred them to the township ordinance where they could make their decision based on the guidelines. Motion was made by Hribar to approve the conditional use permit for the proposed Park and Sell.

The motion was seconded by Buku. The conditional use permit was approved by unanimous vote.

Adjournment:
