Roll Call: Buku, McVay, Hribar, Doug McGee, Dawn McGee, and Ruesink=Present ,Becker= Absent

Approval of Minutes:

Motion:Ruesink, Support: Buku

The minutes from July 25th were unanimously approved.

Approval of Agenda: The agenda was not formally approved, but we conducted our meeting with it accordingly.

Old Business: No old business

New Business: Dona Olsen along with 3 other individuals were present to follow up with a special use permit for little mews rescue. Their request is that they want an animal supplies thrift store, pet food pantry, pet education and resource center, and a cat adoption center hosting a fluctuating number of adoptable cats. There would be no outdoor animals at any time. Dona and her colleagues want to use the property located at 3446 North Adrian Hwy Property ID# ADO-124-2960-00. They want this property to be utilized as a central business location. Ruesink made a motion for the special use permit so long as the facility only houses cats, and there are no more than 20 cats at a time in the facility, no outside animals, and a manageable control of waste disposal so as to not be a nuisance to neighbors. Little Mews would also be subject to pending state approval. The motion was supported by Buku. McVay, Dawn McGee, and Hribar all voted yes. Doug McGee voted no.

Public Comment: 1. There were gentlemen from the St John's Lutheran Church that had questions and expressed concerns for the Little Mews Business. Their questions and concerns were answered/addressed by the individuals representing the Little Mews Rescue. 2. A gentleman expressed the need for the planning commission agendas to be on the Township/Planning Commission Website prior to our meetings.

Adjournment: Motion: Dawn McGee Support: Hribar
