

Faye Jeavons

Playworker

About Me

I have been part of the St Agnes Nursery team for the past 3 years. I work in After school Club. I am studying A level, Psychology, Sociology and Business in 6th Form.

I really enjoy coming to the nursery after school and contributing to the nursery.

I am always greeted with a warm welcome from the children.

In my spare time I enjoy spending time with my family and friends. I love to go to the gym and keeping fit.

Faye is always a burst of sunshine at After-school club. Balancing her sixth form studies she still finds time to be a vital member of our team. Her youthful energy is infectious, she has a genuine enthusiasm, and she possesses that magical ability to connect with the children on their level, effortlessly transitioning from leading a game of tag to helping with a tricky puzzle or showing off her drawing skills. The younger children gravitate towards her drawn in by her warm smile and playful demeanour. She has a kind heart, a gentle nature and a genuine interest in the children's wellbeing. Beyond her natural rapport with the children Faye is a hard worker and a joy to have around.

Joanne Jeavons - Nursery Manager
