

Leanne Mills

Playworker

About Me

I have worked at St Agnes Nursery since September 2024 but I have over 9 years experience in working with children.

Since starting my role as a playworker I have been made to feel welcome and part of the team by my colleagues and all of the children. I really have enjoyed watching them learn and grow. I enjoy reading the children stories, interacting with them in their games both inside and outside.

My hobbies include socialising with family and friends and going on long dog walks with them exploring new places.

Leanne brings a wealth of experience with her as a Playworker, she works both in our After School Club as well as being lunchtime supervisor and a member of the support team in a school setting. Leanne comes into Nursery every day for After School Club and her bubbly persona makes her a pleasure to have around. Her enthusiasm for her work radiates from her. The children always give her a lovely welcome. She is an extremely hard worker and has a genuine love for working with children. She is an asset to our nursery.

After nursery closes for the evening Leanne works as our cleaner and keeps it looking ship shape and for that we are really thankful, she does a great job. Leanne is an integral part of our team!

Joanne Jearens - Nursery Manager
