

# Linzi Riley

**SENDCO**  
**Nursery Practitioner**

## About Me

Level 3 Early Years Practitioner  
NVQ Level 3 SEND

I have been part of the St Agnes Nursery team for 17 years! During my time at the nursery I have worked my way up from a student to have the responsibility of nursery SENDCO. Over the years I have had the privilege of supporting many children and watching them reach their full potential.

As a mammy of 2 boys and one having been diagnosed with ADHD life can be very busy. Our family is football mad and we love nothing more than spending time as a family supporting Newcastle United! When not at football with my boys I love to spend time walking along the beach.

Linzi is an invaluable asset to our team, demonstrating an exceptional passion for her role as SENDCO. Her dedication to children is truly remarkable. Linzi's stand out quality is her profound understanding of each child's unique requirements, coupled with a deep empathy. She possesses a natural ability to connect with children fostering a safe and supportive environment where they can thrive. Linzi's unwavering commitment to advocating for the best possible outcomes for every child is evident in her efforts and care over the years.

The impact she has had on the lives of little ones who have come through the nursery is immeasurable.
