## About Me

I have worked at St Agnes for 14 years now. I enjoy many things at nursery, dough gym and stories being my favourites. I have included Highscope and other activities such as "Secret Readers" into the nursery from courses I have attended. I enjoy watching the childrens development in their time with us.

I love to spend time with my teenage daughter and making memories with my family. In my spare time I enjoy reading.

Emma is a loyal dedicated employee. She always goes the extra mile to ensure the children have enriching and enjoyable experiences. Emma comes up with dynamic and engaging activities following the children's interests, such as making our nursery into an airport with a huge aeroplane or setting up a car wash in the garden complete with bubble machine! Emma always gives us the best parties at nursery for our leavers party or at Christmas. Her imaginative games are always a huge hit, creating lasting memories and a festive atmosphere. Her fun loving nature, relationships with the children and loyalty to the team make her a much-loved member of the nursery.
