

Laura Blake

Nursery Practitioner

About Me

Level 3 Early Years Practitioner,
Level 1 Forest School

I have been with
St Agnes Nursery for
8 and a half years!

My favourite things to do at
nursery are to get creative, explore
art and different media in the art
area, sensory activities and
dancing.

I love to be outdoors, especially in
the "Secret Garden".

In my spare time
I love spending time with my family.
I enjoy cooking, baking and going for
walks.

One of my favourite hobbies
is swimming.

Creativity and empathy are Laura's
superpowers.

She effortlessly steps into the child's
world understanding their perspective
and responding with a genuine
understanding. Laura's commitment to
continuous development is remarkable
as she explores different pedagogical
approaches, adapting the best elements
into her daily practice. She has a
profound impact on shaping young
minds, laying the foundation for a
lifetime of learning. She is a dedicated
champion of early years education, her
unwavering love for her work shines
through in every interaction, every smile
and every chosen word.
