

Patsy Grigg

Nursery Practitioner

About Me

Level 3 Early Years Practitioner

I have over 20 years of experience in early childhood education, including managing a preschool.

My role involves primarily working with the Out of School Club children but I sometimes have the pleasure to work with the nursery children too.

I enjoy everything from storytelling, doing puzzles and drawing to outdoor play including ball games, skipping and tennis.

Outside of nursery I enjoy going to keep fit classes, going on long walks, gardening and knitting.

Patsy has only been with us a short time but in that time she has made a huge impact to our After School Club Provision. With her treasure trove of experience she is a valuable asset to our nursery. She brings a unique blend of expertise and care that truly shines. Patsy is often found listening intently to tales of the children's school day offering a comforting ear and it is clear they adore her company. What makes Patsy so special is her natural connection to the children, she understands their needs and their boundless energy. She is kind, caring and always ready with a helping hand or a playful challenge.
