Introducing INFINITY Outdoor Rugs

MADE IN THE USA

From the company you trust for premium outdoor motorized screens comes a new line of heavy-duty, luxury outdoor rugs engineered to perform under any condition.

Why INFINITY Outdoor Rugs?

INFINITY luxury woven vinyl rugs are crafted with the same commitment to quality and innovation you've come to expect from MagnaTrack screens.

Easy to Clean
Engineered for easy maintenance and lasting appeal.

Antimicrobial
Built-in protection against mold and mildew.

Stain Resistant, Fade Resistant
Keeps its look, even with spills and foot traffic.

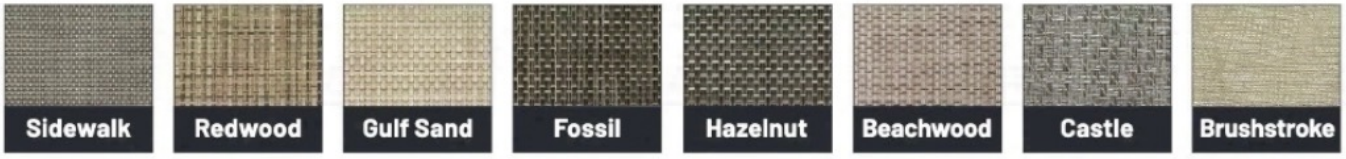

Custom Order Program
Tailor the rug to fit your space.

All-Weather Durability
Vinyl-backed and designed to withstand sun, rain and outdoor exposure.

Customize Your INFINITY Rug

Choose from six classic colors to complement any style and any MagnaTrack motorized outdoor screen! If you're feeling creative or need to match an existing frame, we can match and create a custom color from our RAL selection.
