

DESIGN WITH PURPOSE

Every element at Circle Lofts is intentional—from the community's curved layout to the homes' bold interiors.

Floating staircases, vaulted ceilings, oversized glass, and unexpected angles create spaces that feel sculptural yet livable.

Controlled view corridors ensure every home looks inward to the beautifully designed community, reinforcing both privacy and connection.

LOCATION MEANS EVERYTHING

Nearly equidistant to Old Town Scottsdale and Tempe, Circle Lofts offers the rare ability to be close to everything without being in the middle of it.

Whether you're enjoying nightlife, dining, golf, or cultural attractions, home is always just minutes away—making this an ideal primary residence or winter retreat.

SMART, SUSTAINABLE LIVING

All homes at Circle Lofts include independently owned solar, delivering energy efficiency, lower operating costs, and long-term value.

Combined with modern construction, thoughtful layouts, private garages, and outdoor spaces, these homes are designed to perform as beautifully as they look.
