

Where modern living makes history

- **UPGRADED CABINETS** with full-overlay doors, soft-close hardware, stacked uppers, and accent-color islands that create a true furniture-quality kitchen presence.
- **PREMIUM APPLIANCES** - GE Café in Rooftop Residences; Wolf/Sub-Zero in Heritage Homes selected for both performance and bold design.
- **SOLID SURFACE FLOORING** throughout, including stairs & bedrooms, eliminating transitions and creating visual continuity.
- **CUSTOM LIGHTING** package thoughtfully curated – not builder-basic, but the fixtures that make a statement.
- **DESIGNER TOUCHES** - accent painted doors, quartz counters, full height tile surrounds and splashes, semi-frameless glass shower doors and enclosures, beautiful mirrors, smart home features (Ecobee Thermostats, Ring Doorbells), stylish bath hardware and accessories, and more.
