# Fun with Words Literacy Activities for KS2

This mini resource  
is designed to help  
your child practise  
literacy in ways  
that are  
**fun, purposeful  
and meaningful** –  
all while building  
independence and  
confidence."

# Activity Two

## Instruction Detective

### Objective:

Reading and following multi-step instructions

### Task:

Follow a receipt, build a toy, craft with supervision.

### Extension:

Circle verbs in the instructions - what steps are easy / tricky?

# Activity Three

## Shopping List Sort

### Objective:

Vocabulary and categorisation

### Task:

Write or read a shopping list,  
then group the items into  
categories ( fruit, dairy etc)

### Extension:

Estimate the cost of the  
shopping list or write  
persuasive text for why a treat  
should be added.

# Activity Four

## Letter to Future Self

### Objective:

Vocabulary and categorisation

### Task:

Write or read a shopping list,  
then group the items into  
categories ( fruit, dairy etc)

### Extension:

Estimate the cost of the  
shopping list or write  
persuasive text for why a treat  
should be added.

# Activity Five

## Word Hunt at home

### Objective:

Word recognition and spelling

### Task:

Find words around the house labels, books, posters. Sort them into nouns, verbs and adjectives

### Extension:

Write a description of one of the items using adjectives.

This resource is about  
creating discreet  
learning opportunities.

Making learning FUN!
