HISTORY

OF THE WOOLWICH & ELTHAM SUNDAY FOOTBALL ALLIANCE

A PROUD FOOTBALLING HERITAGE

The Woolwich & Eltham Sunday Football Alliance (WESFA) was established in 2006 following the successful merger of two long-standing local competitions: the Woolwich & District Sunday League, founded in 1891, and the Eltham & District Sunday League, founded in 1959.

Prior to the merger, both leagues operated three divisions with approximately 30 clubs between them. Recognising the opportunity to create a stronger, more competitive and sustainable competition, the proposal to merge was presented to the member clubs of both leagues. The response was overwhelmingly positive and, following extensive planning and preparation, WESFA was born.

Today, WESFA has grown into one of London's leading grassroots football competitions, operating eight divisions and 16 cup competitions. Fourteen competitions are contested throughout the regular season, with a further two prestigious competitions taking place during August.

Among our competitions is the historic Plumstead Challenge Cup, first contested in 1931, which remains open to clubs from neighbouring leagues. League fixtures are traditionally played on Sunday mornings, with selected midweek fixtures staged under floodlights.

OUR PHILOSOPHY

Since its formation, WESFA has built a reputation for delivering competitive football in an environment founded upon respect, discipline and fair play.

We firmly believe that every player, official and volunteer has the right to enjoy football free from intimidation, abuse and discrimination.

As a proud England Football Accredited League and a committed participant in The FA Respect Programme, we work closely with the London Football Association to promote the highest standards of behaviour, both on and off the pitch.

RESPECT

INNOVATION & DEVELOPMENT

Innovation has always been central to our approach. WESFA became the first football league in England to trial REFSIX technology with match officials, demonstrating our commitment to embracing innovation that benefits referees, clubs and the wider game.

We also work closely with County Football Associations and partner organisations to encourage a smoother transition for young players moving from youth football into the adult game.

Every member club is expected to embrace these values and work towards achieving England Football Accreditation within their first two seasons of membership.

REFSiX

SUPPORTING GRASSROOTS FOOTBALL

Grassroots football remains the foundation of the game, yet we believe it deserves greater recognition, investment and support. WESFA continues to champion the interests of grassroots clubs and volunteers, advocating for increased funding and opportunities that will help develop future generations of players, coaches, referees and administrators.

Our Management Committee operates with a simple philosophy:

FIRM, FAIR AND DEMOCRATIC.

We believe in maintaining high standards rather than simply increasing numbers. Membership is awarded to clubs that share our ambitions, values and commitment to providing a positive football environment.

Protecting our clubs from poor conduct remains one of our highest priorities. We continue to take a proactive approach to discipline, safeguarding and the overall matchday experience.

OUR HERITAGE. OUR JOURNEY. OUR FUTURE.

Finals are played throughout March, April and May, with two showcase fixtures each Sunday, kicking off at 10:00am and 2:30pm.

These occasions celebrate the very best of Sunday football, attracting excellent support from players, families and local communities. We are grateful to Cray Valley PM for their continued hospitality and support in helping us deliver memorable cup final experiences.

BUILDING FOR THE FUTURE

WESFA continues to develop as a modern, progressive football competition with strong governance, ambitious leadership and an unwavering commitment to continuous improvement.

Our structured Management Committee works tirelessly to provide an efficient, responsive and professional service to every member club. We welcome clubs that share our values and are committed to helping raise standards across grassroots football. Equally, we recognise the importance of good club administration and leadership, believing that well-run clubs create better environments for players, volunteers and officials alike.

RESPECT & INCLUSION

WESFA is proud to be a fully FA Respect League and remains committed to creating a safe, inclusive and welcoming environment for everyone involved in football.

In recognition of our commitment to improving standards across grassroots football, we were honoured by the London Football Association in 2012 with the following awards:

- London FA Respect League of the Year
- London FA League Administrator of the Year

These awards remain an important milestone in our history and reflect the dedication of our volunteers and member clubs.

NEUTRAL REFEREE'S ASSISTANTS

The assistance referred to below is best given by **NEUTRAL REFEREE'S ASSISTANTS**. A limitation is placed upon **CLUB REFEREE'S ASSISTANTS**, because points (2), (3) and (4) are not usually referred to Referee's Assistants who are not neutral. In the case of Neutral Referee's Assistants, they must be used as **ASSISTANT REFEREES**.

It is appreciated that there must be a different attitude adopted by the referees in this case, because in effect, there are **THREE** officials supervising play.

The Referee remains as principal official, but the Referee's Assistants are there to assist him to control the game in a proper manner.

The Assistance

- Signalling when the **WHOLE** of the ball is out of play.
- Indicating **WHICH** side is entitled to the corner kick, the goal kick, or the throw-in.
- Calling the attention of the Referee to rough play or unsporting behaviour.
- Giving an opinion on any point on which the Referee may consult him.
- Substitution. When a substitution is to be made, the Referee's Assistant nearest to the point of substitution shall attract the attention of the Referee by raising his flag, as shown in the illustration included in "Signals by the Referee's Assistant".

CLUB REFEREE'S ASSISTANTS

To get the most effective co-operation from **CLUB REFEREE'S ASSISTANTS**, the following procedure should be adopted:

1. **BOTH** Club Referee's Assistants should report to the Referee before the start of the match and receive instructions and be informed that, no matter what may be their personal opinion, the decision of the Referee is final and must not be questioned.

The work allocated to them as Club Referee's Assistants is to signal when the ball is **ENTIRELY** over the touch line and to indicate which side is entitled to the throw-in, subject always to the decision of the Referee.

2. Keeping in mind their distinctive duties outlined above, Referees should decide beforehand exactly what they want their Club Referee's Assistants to do and be able to tell them distinctly how they can best help him.

It is essential that there should be some conference between these three officials before the match. As the chief of this trio, the Referee must be able to indicate clearly to his assistants how they may best help him. His instructions must be specific, in order to avoid confusion.

On their side, the Linesmen must fully appreciate the Referee's prior authority and accept his rulings without question, should there be any difference of opinion amongst them. Their relationship to him must be one of assistance and neither under intervention nor opposition.

REMEMBRANCE SUNDAY

— LEST WE FORGET —

The Football Association has ruled that Remembrance Sunday **MUST** be observed.

All matches under the jurisdiction of this competition, as a mark of respect, are to observe a **1 MINUTE SILENCE** immediately prior to kick off.

Co-operation for this requirement would be both anticipated and **appreciated**.

In certain circumstances the Referee must also report the abandonment to the County FA. Every team shall play its best available qualified team or teams in all matches in the competition. (Note: The intention of this Rule is not to interfere with normal team selection by teams, but to prevent them deliberately fielding a weakened team in order to unreasonably preserve players for another game or boost the strength of another lower team. If, in the opinion of the Management Committee, the substance or the spirit of the Rule is obviously being disregarded, the team or teams concerned may be called to account for its/their actions and shall be subject to such decisions as the Management Committee may determine, despite the fact that Rule 18 has not been infringed).

(See Rule 23)). c)If you are the AWAY TEAM and withdraw (fail to fulfil the fixture) before noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the home team is awarded the match, 0-0 scoreline (walkover in a cup tie), the AWAY team charged £10 for non-fulfillment of fixture and an additional charge of £50 for loss of revenue by the home team. Note: Cancellation of the permit is the sole responsibility of the home team as no permit costs will be awarded in this scenario. d)If you are the AWAY TEAM and withdraw (fail to fulfil the fixture) after noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the home team is awarded the match, 0-0 scoreline (walkover in a cup tie), the AWAY team charged £10 for non-fulfillment of fixture, an additional charge of £50 for loss of revenue by the home team. If a club fails to notify the Fixtures Secretary before midday on the Saturday prior to the match, this will result in the full referee costs being levied against the defaulting team, unless the Referee can be reallocated on an alternative fixture on the same date by the Referee's Secretary. (See Rule 23). A receipt of the permit invoice for that specific date will be required within seven (7) days for reimbursement of the permit costs otherwise the claim will be void, the maximum claim of a pitch cost is £150. Double-Header games only consist of two teams playing one another twice on the same day at the same location. Double-Header games will only be introduced when strictly necessary. The Home team will be determined and notified by the Fixtures Secretary. Each match may consist of different registered players for each team. Full match card procedure must be followed for each separate match and separate match and separate team sheets must be completed for each game and sent to the Registration Secretary in accordance with Rule 21(A). A team not ready to play at the time of the first scheduled kick-off shall be deemed as absent, the second game will be played as soon as possible. No more than a 15 minute break shall be allowed between the two separate matches. Half-time intervals may be reduced if agreeable to both sides and the referee. Should a second match of a double header not be fulfilled the defaulting team will be charged for non-fulfillment of fixture and attract a fine of £10 only. The duration of each game shall be 30 minutes each way. (See Standing Order I)

	All permit costs are to be shared equally for Double-Headers between the two competing teams on the day. Note: An exception to this rule is if two competing teams play their Home matches at the same venue and pay annually for pitch hire rather than on a weekly basis. Each team shall share the costing of the match official(s). In terms of player registration eligibility criteria, an emergency registered player for the first match is also eligible for the second fixture. A player who is dismissed from the field of play by the referee in the first match shall be eligible to take part in the second game.

If your team does not want to play Easter Sunday, you can advise us on the home permit form or you will need to submit a no game request at least 28 days before, however this will not form part of your 2 no game requests. (Not: Wedding parties, “stag” weekends or other pre-arranged social arrangements will NOT be permitted as a reason for not playing without due notice – all such events are inevitably subject to planning and such details should be well-known to a club, therefore allowing ample time to submit a “no game request”). Any applications may be declined if it is detriment to the completion of the competition.
20.U	When the home team plays on the away Club’s permit, the cost of the permit must be paid for on the day. Teams in default will be fined in accordance with the fines tariff. The defaulting team will have 48hrs to settle the outstanding permit cost. After this, Rule 6(I) applies.

20.W	After the month of January in the playing season, should the home team pitch not be playable/available then the opposition pitch shall be used. 22.C	<i>In addition to the Team(s) automatically promoted under Rule 22.B, a maximum of one further Team shall be promoted by virtue of being the winner of a play-off match or series of matches (the "Play-Offs"). The eligibility criteria and format of the Play-Offs are as follows;</i> <i>Note: The league does not entertain this rule as it's optional and therefore doesn't require adherence.</i>
22.D	In the event of a Team withdrawing from the Competition before completing 75% of its fixtures for the Playing Season all points obtained by or recorded against such defaulting Team shall be expunged from the Competition table. 23.B	1. In the event of the non-appearance of the appointed referee the appointed senior assistant referee shall take charge and a substitute assistant referee appointed by the competing Teams. 2. In cases where there are no officially appointed Match Officials in attendance, the Clubs shall agree upon a referee. An individual thus agreed upon shall, for that Competition Match, have the full powers, status and authority of a registered referee. Individuals under the age of 16 must not participate either as a referee or assistant referee in any Competition Match.
23.C	Where assistant referees are not appointed each Team shall provide a Club assistant referee. Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff.
23.D	<u>Regional NLS Feeder Leagues</u>: No Club shall postpone a Competition match on account of the apparent state of the ground. In the event that such circumstances prevail, Clubs should comply with procedures provided for in the document published by The FA "Recommended procedure for the guidance of Clubs and Referees in determining the suitability of grounds in adverse weather conditions". Should the ground be declared unfit it is the responsibility of the home Club to immediately advise the Competition, the Appointing Authority, the visiting Club and the Match Officials. <u>For those leagues which are not Regional NLS Feeder Leagues</u>: The appointed referee

	shall have power to decide as to the fitness of the Ground in all Competition Matches and that decision shall be final, subject to the determination of the Local Authority or the owners of a Ground, which must be accepted.

Where a Competition Match is not played owing to one Club being in default, that Club shall be ordered to pay the Match Officials, if they attend the Ground, their full fee and expenses. Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff.
23.G	A referee not keeping their engagement and fails to give a satisfactory explanation as to their non-appearance may be reported to the Affiliated Association with which they are registered.
23.H	Each Club shall, in a manner prescribed from time to time by The FA, award marks to the referee for each Competition Match and the name of the referee and the marks awarded shall be submitted to the Competition on the prescribed form provided. When appointing assistants, the Referees secretary shall advise the two Clubs in writing, at least 48 hours before the match, of his reason(s)/justification for placing assistants on their match. A request by one club for Assistants to be appointed will be sufficient to place 2 additional officials at a match (if available), irrespective of the view of the opponents. For all League matches, all officials are to be paid by the AWAY team, and the cost of ONE Assistant is reclaimed from the home team. In circumstances where the Management Committee are unable to provide neutral

If the Referee does not accept such assistance, then the club will have the right to refuse to play the fixture and must report such circumstances to the League Secretary and Fixtures Secretary within 24hrs.
23.N	The fee for the Match Officials shall be equal to that published by the London Football Association for the Sunday Junior Cup at the time of the League AGM. Referee appointed by the Management Committee = £45 Assistant Referees appointed by the Management Committee or requested by team(s) = £30 For “double-headers” Referee: £65, Assistant Referee: = £40 Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff (Refer to Rule 23 E).
23.O	A Referee MUST report all cautions and/or sending offs to the appropriate County Association within the statutory periods. Any Referee failing to do so will be reported to their County of Affiliation for appropriate action. <i>NOTE: The Alliance operates a dedicated spreadsheet via wesfa.co which records and manages all match details. This system is used by the League to maintain accurate records, manage member clubs and match officials, and protect the integrity and reputation of the competition. Every match official appointed to a WESFA fixture must complete the match day form within two days of the match. If a match official cannot complete the form within the required timeframe, they must contact both the Referee Secretary and the League Secretary as soon as possible. Support and assistance will be provided where necessary. Failure to complete the match day form may result in no further WESFA appointments being offered until the matter is resolved.</i>
23.P	A Referee MUST submit a report to the Referee’s Secretary if approached by any team official to withhold misconduct information from the County Association or League.
23.Q	When marking a referee, emphasis should be given to the complete performance, not one or two isolated or controversial incidents, even if you feel you lost the game because of a particular decision. Where marks are seriously inconsistent between two teams in the same match, the Referee’s Secretary may call the teams to explain their marking(s). Remember – win with dignity, lose with grace and always display a sporting attitude.
23.R	If a Team marks a referee 60 or less, a written report of explanation for the low mark, either by letter or email, must be sent to the Referee’s Secretary and Assistant Referee Secretary, within 4 days of the match. Failing to submit this report will be deemed as failing to deal with League business. Refer to Rule 6(l)
23.S	All Referees must acknowledge appointments to the Home Team Secretary upon receipt, or by the latest Wednesday 9pm prior to the game. This can be done, if possible, by email. Referees should notify the Referees Secretary by Thursday midday prior to the game, if they have NOT been contacted by the Home team, however the Referee should attempt to contact the home team to confirm match details and to report such occurrence. In such circumstances, the referee may be withdrawn and relocated to another fixture.

24. TROPHY COMPETITION RULES	
24.A	The Trophy Competition Rules shall be as for the League competition except that all Cup matches may commence 30 minutes earlier than League games, to allow for the possibility of extra time when applicable (on private grounds this may vary). Cup draws will be made at the discretion of the management committee, with neutral observers if available and attending. The Plumstead Challenge Cup will be drawn at the beginning of September each year, this allows any external teams to apply and be included in the draw.
24.B	Trophies shall be competed annually, as decided by the management committee. The entrance fee for all competitions shall be payable no later than the August league general meeting (except for external teams that have entered the Plumstead Challenge Cup, their deadline is 31 st August) and shall be as determined each season per competition. The draws for trophy competitions will be made with at least two officers from the league present.
24.C	The officers shall, for all intents and purposes, be the legal owners of the trophies in trust for the league, and they are the sole property of the league. No team may hold trophies after expulsion/withdrawal from the league.
24.D	1. Each player must have been registered within this League for not less than fourteen (14) consecutive days prior to playing in a quarter final or subsequent round of any competition during the current season. They shall be considered a player of the team having played three League or cup games, before being eligible to play in a semi-final or final tie. NOTE: Please check rules for the Plumstead Challenge Cup as they differ from above (Plumstead Challenge Cup Rule K). 2. Any player registered for a member team in the current season, who has played in any internal cup competition(s) will not be cup-tied if that same team has folded and withdrawn from the league. All other cup criteria remain the same; therefore, the new player must still play 3 league/cup matches for the new team to qualify for a quarter final and subsequent rounds. NOTE: Divisional cup competitions are treated as one competition in this rule therefore players cannot play for another team in a divisional cup match if they have played in another one in the same season. NOTE: Bi-Divisional cup matches are treated as separate competitions, so players are permitted to play in more than one bi-divisional cup competition. The Officers, at their discretion, may allow a player who is not so qualified to play on investigation of the circumstances presented to them. Where a Team fields a Player in a Competition Match or Matches in breach of this Rule, the Management Committee may determine that it has fielded an ineligible player and that the provisions of Rule 18.M shall apply.
24.E	All match officials will be appointed by the Referee's Secretary. Referees and assistant referees will be appointed to all semi-final and final ties. For final ties, referees and assistant referees are to be paid the standard fee and receive a memento.
24.F	The duration of any cup match shall not be less than 90 minutes. In the event of a draw at full time, except for the semi-final and final ties, the result of the game shall be decided on penalty kicks, in accordance with the Laws of the Game. A period of 30 minutes of extra time will be played at the semi-final and final ties only. In the event of a draw after the extra time period, the result of the game shall be decided on

	penalty kicks. Replays will NOT apply at any stage of the competition.
24.G	The “home” team will be the first-named of the member teams in all ties, including the final tie, irrespective of the venue concerned and subject to the rules of the Competition and ground authority. The away team is entitled to require evidence of permit cost in any competition match. £150 is the highest fee paid for a singular pitch reclaim for a non-fulfilment of fixture. The maximum split cost for a pitch is £100 per team; this excludes match officials' fees. For rounds prior to the semi-final the HOME team has the right to determine the time of kick-off subject to paragraph (A), except when on a ground provided through the League, in such cases the kick-off time shall be determined by the Officers through the Fixtures Secretary. Venues for Final ties will be arranged by the Management Committee and expenses for Final ties will be met through League funds. An afternoon kick-off for semi-final ties will only be with the permission of the Management Committee.
24.H	Up to and including the semi-final tie, all expenses are to be shared equally by the competing teams.
24.I	In the event of the ground being provided by the league such gate money/programme sales which may be taken shall be received by the competition. Finalists of all trophy competitions will receive 10% each of the total gate money received pertaining to their own cup final only, on each occasion. An additional 10% of the total gate receipt will be deducted from each final and added to the charity collection.
24.J	Venues for final ties shall be arranged by the league and will include both Sundays and midweek fixtures, at the sole discretion of the officers. All teams qualifying for finals will be required to purchase 21 cup final programmes at a discounted price, the cost of which will be reviewed from time to time.
24.K	21 individual trophies/medals will be supplied to the finalists and winners, and the perpetual trophy will be presented to the winners upon the conclusion of the match. C	Unless otherwise provided for, the competition is subject to the rules of the Woolwich & Eltham Sunday Football Alliance, other than the playing venues of some participating Clubs/teams, which may fall outside the League's 15-mile radius. Due to the nature of the Competition, venues outside this League's normal radius will be deemed acceptable. Other anomalies will be dealt with by the Management Committee on a "case-by-case" basis. This is to allow for entry by teams from other Leagues.

All voting will be decided by a simple majority on a show of hands; unless a majority of accredited voters demand a secret ballot.
H	The draw for this Competition will be held at the beginning of September each year. The dates on which ties should be played shall be fixed, and the ties played as the WESFA management committee may determine, unless due to weather or circumstances beyond the control of either team or league.
