20.Q	Notice of all abandoned matches must be given to the Fixtures Secretary by both Teams on the day of the match and also to the Results Secretary via text using the code A-A. Both teams shall write to the League Secretary within 24hrs explaining the reason for this postponement/abandonment (email is acceptable). Any rearranged abandoned fixture will be 50/50 split costs between both competing teams, failure to report will attract a fine in accordance with the fines tariff. (See Rule 20 E 6)
20.R	Double Header Matches – In the event of inclement weather and/or adverse playing conditions the Management Committee may authorise the playing of Double-Header games in order to ensure that the League programme is brought to an orderly completion. Double-Header games only consist of two teams playing one another twice on the same day at the same location. Double-Header games will only be introduced when strictly necessary. The Home team will be determined and notified by the Fixtures Secretary. Each match may consist of different registered players for each team. Full match card procedure must be followed for each separate match and separate match and separate team sheets must be completed for each game and sent to the Registration Secretary in accordance with Rule 21(A). A team not ready to play at the time of the first scheduled kick-off shall be deemed as absent, the second game will be played as soon as possible. No more than a 15 minute break shall be allowed between the two separate matches. Half-time intervals may be reduced if agreeable to both sides and the referee. Should a second match of a double header not be fulfilled the defaulting team will be charged for non-fulfillment of fixture and attract a fine of £10 only. The duration of each game shall be 30 minutes each way. (See Standing Order I)

	All permit costs are to be shared equally for Double-Headers between the two competing teams on the day. Note: An exception to this rule is if two competing teams play their Home matches at the same venue and pay annually for pitch hire rather than on a weekly basis. Each team shall share the costing of the match official(s). In terms of player registration eligibility criteria, an emergency registered player for the first match is also eligible for the second fixture. A player who is dismissed from the field of play by the referee in the first match shall be eligible to take part in the second game.
20.S	If fixtures are arranged late, or altered, or any other problems concerning match arrangements, the Teams must keep the Fixtures Secretary, match official(s) and opponents fully informed of the situation. They must contact all parties no later than the Tuesday prior to the match and any further details must be confirmed to all parties by the Thursday preceding the match. If the kick-off time of a scheduled match is different from a 10.30 or 12:30 kick-off (except for Cup Finals) then the Fixtures Secretary must obtain written confirmation from both affected teams of their acceptance of this change with a copy of such records sent to the League Secretary. Member clubs are advised that due to inclement weather, pitch availability and exceptional circumstances, the kick-off time may be moved on a pro-rata basis but verbal communication (email sent is not accepted in this case as confirmed notice) will be the primary contact method.
20.T	Any Team not wishing to play on a specific date must make a written application (a “no game request”) to the Fixtures Secretary at least 28 days before the date they wish not to play.) This does not apply to Cup Finals, where no such dispensation will be granted). Successful applications outside of this limit will not be considered. Teams may submit only two requests per season, unless evidence of extraordinary circumstances can be provided (bereavement, etc). If your team does not want to play Easter Sunday, you can advise us on the home permit form or you will need to submit a no game request at least 28 days before, however this will not form part of your 2 no game requests. (Not: Wedding parties, “stag” weekends or other pre-arranged social arrangements will NOT be permitted as a reason for not playing without due notice – all such events are inevitably subject to planning and such details should be well-known to a club, therefore allowing ample time to submit a “no game request”). Any applications may be declined if it is detriment to the completion of the competition.
20.U	When the home team plays on the away Club’s permit, the cost of the permit must be paid for on the day. Teams in default will be fined in accordance with the fines tariff. The defaulting team will have 48hrs to settle the outstanding permit cost. After this, Rule 6(I) applies.
20.V	If a player is sent off the field of play for any offence, they must remove themselves from the sideline and away from the field of play. The distance required is subjective, however they cannot be heard or participate in any capacity for the remainder of that match. Any player that is reported to the Management Committee for non-adherence of this rule will be reported to the County Football Association for further sanctioning.
20.W	After the month of January in the playing season, should the home team pitch not be playable/available then the opposition pitch shall be used. This is regardless of teams having played each other in the playing season. Should the opposition pitch also not be playable or available then the management committee shall decide on another ground before postponing the game.

NOTE: A failure to provide a team sheet and complete Full Time for the same fixture will count as one (1) missing team sheet. Once a team has reached three (3) missing team sheets, the sanction will be imposed. This rule will then reset, and the count will start from zero (0). Another three (3) non-completed team sheets, the same sanction will apply. It is your club's responsibility to ensure that the administration of your team is done in a timely manner each week. All competition fixtures that have already been cast will be awarded (voided if both teams are in default) and costs levied.

In the event of a dispute, the signed team sheet will be the definitive item and will nullify any appeal regarding the qualification of a player. If a team has elected to sign a team sheet as confirmation when their opposition's PDF squad list was not available, it will result in a fine in accordance with the fines tariff
