# THE HISTORY OF WESFA

The Woolwich & Eltham Sunday Football Alliance was formed by the merger of two former local Sunday leagues: The Woolwich & District Sunday League (1891), together with the Eltham & District Sunday League (1959). In 2005, both leagues were operating three Divisions, with around 30 Clubs, give or take. In order to provide more competition and a more varied and interesting competition, we decided to pool resources and the proposal was put to each set of members clubs. There was an astounding vote in favour of merging. The necessary work was done and "WESFA" was born. We have 8 Divisions and 15 Cup competitions, one of which (The Plumstead Challenge Cup, which dates back to 1931), is open to teams from other local leagues. League Fixtures are cast for a Sunday morning.

We remain solid and have now established a reputation for fair play and the close monitoring of conduct. We firmly believe that everyone should be able to play their game without fear of intimidation, threat or lack of respect. We are signed up to the FA's "Respect" programme and have also achieved the England Football Accreditation status with the help of the London FA.

We pride ourselves on innovation. Indeed, we were the first league in England to have referees trial Refsix & are continually in consultation with County FA's in order to help fix the problem of youth teams simply disbanding, instead of stepping into adult football. Each member club must be willing to adopt this recognition and have the desire to gain the England Football Accreditation award by the end of their second season of membership.

Our belief is that, although the FA is very vocal about "grassroots" football, it still does not receive the recognition and funding it deserves. We will continue to highlight this to the footballing authorities, pushing for a change of emphasis towards developing our young talent.

So, after just a short period of time, we are pushing ahead with some major issues and growing stronger. Our ethos is "firm, but democratic". This has filtered through to our clubs and they are working themselves to evolve into well-respected organisations. We (and they) believe in quality, not quantity and we do not approve every application to join us.

There is not, and nor has there ever been, room for thugs in football at whatever level. Therefore, we have a responsibility to protect our members against those who seek to disrupt and spoil their Sunday mornings. The management committee has drive and ambition, our administration is superb allows a smooth transition for our members to enjoy their football. We know we have the resources, contacts and ability to be the best Sunday league locally. Our internal passion for continuous improvement will not only get us there but stay there for a prolonged period of time. We have consistently good, competitive football with the aim of having fun rather than the 'winning at all costs' mentality. We are in our 19th season of the WESFA and we are very fortunate by finding

ourselves having a sponsor for each of the divisions, in what is a competitive and rewarding constitution for the Alliance.

**Premier Division** = Supreme Trophies Ltd  
**Championship** = JB Exterior Cleaning  
**Division One** = KMO Property  
**Division Two** = Abal Environmental Services  
**Division Three** = MD Foundation  
**Division Four** = Pat & Arthur Tansley  
**Division Five** = Whistleblowers FC  
**Division Six** = CG Print Consultants

We hire VCD Athletic for our prestigious cup finals. All Cup Finals are played in the months of March, April and May, two finals per Sunday, with kick off times at 10:30am and 2:30pm. We play midweek fixtures under floodlights too. These are superb occasions for all and the atmosphere, generally, with the support obtained, is fantastic. We are quite sure that we provide an amazing service and value for money. We would like to thank VCD Athletic for their accommodation and for providing a top-quality playing surface for our member clubs to compete on.

Major steps are being taken to establish ourselves as a model for local Sunday football, by adherence to our base criteria for clubs, players and officials. A very strong structured Management Committee with a firm ethos of an embedded passion for grassroots football enables us to deliver high quality service to all member clubs. This hasn't gone unnoticed as we expand our membership with good competitive teams thus improving the competition and the reputation of the Alliance. It is imperative that member clubs have the right people administering their teams, it is very evident that having the wrong people, albeit with the right intentions, does not bode well.

The Woolwich & Eltham Sunday Football Alliance is a certified Respect League. We were awarded by the London Football Association during their presentation evening on the 1st November 2012 in the following categories:

**LFA "Respect" League of the Year 2012**  
**LFA League Administrator of the Year 2012**

We are an inclusive football league and welcome people that will add value to our organisation, if you have time and want to volunteer to give something back to the community then feel free to drop an email to the League Secretary. If you have our members at heart then we want to hear from you.

## NEUTRAL REFEREE'S ASSISTANTS

The assistance referred to below is best given by NEUTRAL REFEREE'S ASSISTANTS. A limitation is placed upon CLUB REFEREE'S ASSISTANTS, because points (2), (3) and (4) are not usually referred to Referee's Assistants who are not neutral. In the case of Neutral Referee's Assistants, they must be used as ASSISTANT REFEREES. It is appreciated that there must be a different attitude adopted by the referees in this case, because in effect, there are THREE officials supervising play. The Referee remains as principal official, but the Referee's Assistants are there to assist him to control the game in a proper manner.

### The Assistance

- Signalling when the WHOLE of the ball is out of play.
- Indicating WHICH side is entitled to the corner kick, the goal kick, or the throw-in.
- Calling the attention of the Referee to rough play or unsporting behaviour.
- Giving an opinion on any point on which the Referee may consult him.
- Substitution. When a substitution is to be made, the Referee's Assistant nearest to the point of substitution shall attract the attention of the Referee by raising his flag, as shown in the illustration included in "Signals by the Referee's Assistant".

## CLUB REFEREE'S ASSISTANTS

To get the most effective co-operation from CLUB REFEREE'S ASSISTANTS, the following procedure should be adopted:

1. BOTH Club Referee's Assistants should report to the Referee before the start of the match and receive instructions and be informed that, no matter what may be their personal opinion, the decision of the Referee is final and must not be questioned.
2. The work allocated to them as Club Referee's Assistants is to signal when the ball is ENTIRELY over the touch line and to indicate which side is entitled to the throw-in, subject always to the decision of the Referee.

*Keeping in mind their distinctive duties outlined above, Referees should decide beforehand exactly what they want their Club Referee's Assistants to do and be able to tell them distinctly how they can best help him. It is essential that there should be some conference between these three officials before the match. As the chief of this trio, the Referee must be able to indicate clearly to his assistants how they may best help him. His instructions must be specific, in order to avoid confusion. On their side, the Linesmen must fully appreciate the Referee's prior authority and accept his rulings without question, should there be any difference of opinion amongst them. Their relationship to him must be one of assistance and neither under intervention nor opposition.*

## STANDING ORDERS

- (A) League General Meetings will commence at 8:30pm (approx). The attendance register must be signed by a Team representative. It will be withdrawn at 8.45pm and returned to the Chairman of the meeting. It will be re-called for teams that have not signed in. Any Team that has not attended or left the meeting without prior arrangement of the Officers, will be fined in accordance with Rule 6(O) and the Fines Tariff. A maximum of one (1) apology per team will be permitted per season; upon the second notice of an apology and subsequent apologies thereafter, will have a non-attendance fine levied.
- (B) The League membership will meet bi-monthly on dates shown in the handbook. No other notifications will be given.
- (C) Where there is more than one applicant for a role as League Officer/s, voting for the election of the preferred League Officer/s shall be by ballot, except as otherwise ruled.
- (D) The Management Committee may make any alteration or addition to the Standing Orders at any time, subject to 7 days' notice of any alteration or addition being given to each member of the Management Committee.
- (E) Unless requested, all communication shall be addressed to the League General Secretary to administer all business of the League and keep a record of its proceedings.
- (F) Teams may purchase copies of the Handbook, the price of which shall be £5.00 each.
- (G) If a motion is put forward which the Chairperson of the meeting may consider objectionable, the Chairperson is empowered to put to the vote, if time should be allowed for discussion. At all meetings any motion, properly proposed and seconded shall be open for discussion. Voting will be by a show of hands or as otherwise ruled, by one member of each club only.
- (H) The League General Meeting minutes shall be available for inspection at all reasonable times, after application to the Chairperson.
- (I) The season may commence on the first Sunday in September and may finish on the last Sunday in May, as decided at each Annual General Meeting. (See Rule 8). The season may be extended at the discretion of the Management Committee and by the express permission of the County Association. All games will commence as ordered, (times may be varied by local authorities), between 10:00am and 11:00am, depending on the Rules of the Competition. Cup matches shall generally commence 30 minutes earlier than League matches. Dual fixtures ("double-headers") shall be two matches, one following the other, and each having a duration of one hour (two halves of 30 minutes each), with a break of fifteen minutes between the two. In the first match, the first team named shall be the home team.
- (J) Teams and match officials are to note that no game shall commence more than 30 minutes after the agreed time of kick-off. The appointed referee should make certain that, if a game is permitted to go ahead, it is notified as starting more than 30 minutes late on the respective team sheet (do not leave it to the Management Committee to decide). When there is no appointed referee, or the appointed referee fails to arrive, teams must ensure that League games take place (Cup fixtures are optional) but they do not kick-off later than 30 minutes after the agreed kick-off time. (Refer to Rule 20B)
- (K) Teams are responsible for the behaviour of spectators. Officers will review all instances of crowd disturbance. They have discretion to impose sanctions against defaulting teams regardless of any action taken by the County or Football Association in consequence of reported incidents. The WESFA is an FA Respect League and therefore will manage both direct and indirect breaches by member clubs of this accreditation.

This sheet is for the team to keep safe, and produce should there be any appeal/protest of unregistered/ineligible players in that fixture. If you do not keep that team sheet, then you may waive your right to any appeal/protest of unregistered/ineligible players for that fixture. The 3<sup>rd</sup> and final sheet is to be completed by your club post-match. This would include all the stats from the match that's required by the competition. Your Full Time team sheet should replicate this sheet (other than emergency signings on the day).</p> <p>The Referee shall make their way to the field of play 15 minutes before the scheduled kick off time where they are offered their fee and handed the completed competition sheets by both teams; the home team shall provide two match balls fit for play. Failure to pay the referee on the day will result in a fine in accordance with the fines tariff.</p> <p>Note: If your intention is to pay the referee their fee via Bank Transfer then this option MUST be discussed and agreed at least 24hrs prior to the match. Ultimately, it is solely the match officials preferred choice of payment that shall be the determining factor. If the referee fails to confirm payment details, then cash must be available on the day to make payment.</p> <p>The Referee must receive copy of the team sheet from both teams at least 15 minutes prior to kick-off (for Cup Finals this must be 30 minutes prior to kick-off time), with named substitutes clearly marked and ensuring all written shirt numbers correspond with those worn by the player. Teams delaying the start of the match by not having their team sheet ready for the referee will be fined for causing a late kick-off in accordance with the fines tariff.</p>

20.L	Teams are encouraged to complete a competition sheet 25 minutes prior to the scheduled kick off time. Any team failing to commence at the appointed kick off time shall be fined a sum in accordance with the fines tariff (1-15 minutes) or (16-30 minutes), 30 minutes late is the cut off time for a scheduled kick-off, teams later than 30 minutes will not be permitted to record this fixture as a competitive match and the result will be decided by the Management Committee. The result will be covered by Rule 20 P. NOTE: Member clubs causing continual late kick-offs will be dealt with in line with Rule 6I.
20.M	Fixtures, having been issued shall be deemed to have been accepted unless objections are received by the Fixtures Secretary in writing, within seven days of their issue. All matches must be played on <u>stated/published dates, or as directed by the Fixtures Secretary or the Management Committee.</u>
20.N	For midweek matches, notice must be given by 9pm Sunday prior to playing the match. Any team which does not notify their opponents and/or match official(s) by midday on the preceding Thursday may lose the right to play the match and be liable for the full cost of the match official(s). The points or the tie may be awarded to the opposition, with a scoreline of 0-0 being recorded. In all cases, email communication (where possible) will be deemed acceptable. When sending details to your opposition you must include your kit colours (including goalkeepers) and a PDF of your squad list downloadable from the Club Portal, the away team must send their PDF squad list to their opposition when confirming details.
20.O	If a team fields only 6 players, a match cannot start. Similarly, if during a match, a team is reduced to 6 players either by injury, disciplinary action, (excluding temporary dismissals) or other circumstances, the match should not continue and should be abandoned immediately. The circumstances should be reported by both teams and the referee, where appointed by the league, to the league secretary and Fixtures Secretary within two days of the match. In certain circumstances the Referee must also report the abandonment to the County FA. Every team shall play its best available qualified team or teams in all matches in the competition. (Note: The intention of this Rule is not to interfere with normal team selection by teams, but to prevent them deliberately fielding a weakened team in order to unreasonably preserve players for another game or boost the strength of another lower team. If, in the opinion of the Management Committee, the substance or the spirit of the Rule is obviously being disregarded, the team or teams concerned may be called to account for its/their actions and shall be subject to such decisions as <u>the Management Committee may determine, despite the fact that Rule 18 has not been infringed</u> ).
20.P	The decision-making process into non-played fixtures is as follows: a) If you are the HOME TEAM and withdraw (fail to fulfil the fixture) before noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the away team is awarded the match, 0-0 scoreline (walkover in a cup tie), HOME team is charged £10 for non-fulfilment of fixture and an additional charge of £50 for loss of revenue by the away team. b) If you are the HOME TEAM and withdraw (fail to fulfil the fixture) after noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the away team is awarded the match, 0-0 scoreline (walkover in a cup tie), HOME team is charged £10 for non-fulfilment of fixture, an additional charge of £50 for loss of revenue by the away team. If a club fails to notify the Fixtures Secretary before midday on the Saturday prior to the match, this will result in the full referee costs being levied against the defaulting team, unless the Referee can be reallocated an alternative fixture on the same date by the Referee's Secretary. (See Rule 23)). c) If you are the AWAY TEAM and withdraw (fail to fulfil the fixture) before noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the home team is awarded the match, 0-0 scoreline (walkover in a cup tie), the AWAY team charged £10 for non-fulfilment of fixture and an additional charge of £50 for loss of revenue by the home team. Note: Cancellation of the permit is the sole responsibility of the home team as no permit costs will be awarded in this scenario. d) If you are the AWAY TEAM and withdraw (fail to fulfil the fixture) after noon on the Thursday prior to the match (or Sunday 9pm for a midweek fixture) = the home team is awarded the match, 0-0 scoreline (walkover in a cup tie), the AWAY team charged £10 for non-fulfilment of fixture, an additional charge of £50 for loss of revenue by the home team. If a club fails to notify the Fixtures Secretary before midday on the Saturday prior to the match, this will result in the full referee costs being levied against the defaulting team, unless the Referee can be reallocated on an alternative fixture on the same date by the Referee's Secretary. (See Rule 23). A receipt of the permit invoice for that specific date will be required within seven (7) days for reimbursement of the permit costs otherwise the claim will be void, the maximum claim of a pitch cost is £150. The HOME team must contact the Fixtures Secretary as soon as possible if their permit becomes available due to a non-played fixture to see whether their permit can be used elsewhere and also contact the Referee's Secretary to ensure that the official can be utilized in another fixture

20.Q	<p>Notice of all abandoned matches must be given to the Fixtures Secretary by both Teams on the day of the match and also to the Results Secretary via text using the code A-A. Both teams shall write to the League Secretary within 24hrs explaining the reason for this postponement/abandonment (email is acceptable). Any rearranged abandoned fixture will be 50/50 split costs between both competing teams, failure to report will attract a fine in accordance with the fines tariff. (See Rule 20 E 6)</p>
20.R	<p>Double Header Matches – In the event of inclement weather and/or adverse playing conditions the Management Committee may authorise the playing of Double-Header games in order to ensure that the League programme is brought to an orderly completion. Double-Header games only consist of two teams playing one another twice on the same day at the same location. Double-Header games will only be introduced when strictly necessary. The Home team will be determined and notified by the Fixtures Secretary.</p> <p>Each match may consist of different registered players for each team. Full match card procedure must be followed for each separate match and separate match and separate team sheets must be completed for each game and sent to the Registration Secretary in accordance with Rule 21(A).</p> <p>A team not ready to play at the time of the first scheduled kick-off shall be deemed as absent, the second game will be played as soon as possible.</p> <p>No more than a 15 minute break shall be allowed between the two separate matches. Half-time intervals may be reduced if agreeable to both sides and the referee. Should a second match of a double header not be fulfilled the defaulting team will be charged for non-fulfillment of fixture and attract a fine of £10 only. The duration of each game shall be 30 minutes each way. (See Standing Order I)</p> <p>All permit costs are to be shared equally for Double-Headers between the two competing teams on the day. Note: An exception to this rule is if two competing teams play their Home matches at the same venue and pay annually for pitch hire rather than on a weekly basis. Each team shall share the costing of the match official(s).</p> <p>In terms of player registration eligibility criteria, an emergency registered player for the first match is also eligible for the second fixture. A player who is dismissed from the field of play by the referee in the first match shall be eligible to take part in the second game.</p>
20.S	<p>If fixtures are arranged late, or altered, or any other problems concerning match arrangements, the Teams must keep the Fixtures Secretary, match official(s) and opponents fully informed of the situation. They must contact all parties no later than the Tuesday prior to the match and any further details must be confirmed to all parties by the Thursday preceding the match. If the kick-off time of a scheduled match is different from a 10.30 kick-off (except for Cup Finals) then the Fixtures Secretary must obtain written confirmation from both affected teams of their acceptance of this change with a copy of such records sent to the League Secretary. Member clubs are advised that due to inclement weather, pitch availability and exceptional circumstances, the kick-off time may be moved on a pro-rata basis but verbal communication (email sent is not accepted in this case as confirmed notice) will be the primary contact method.</p>
20.T	<p>Any Team not wishing to play on a specific date must make a written application (a “no game request”) to the Fixtures Secretary at least 28 days before the date they wish not to play.) This does not apply to Cup Finals, where no such dispensation will be granted). Successful applications outside of this limit will not be considered. Teams may submit only two requests per season, unless evidence of extraordinary circumstances can be provided (bereavement, etc). If your team does not want to play Easter Sunday, you can advise us on the home permit form or you will need to submit a no game request at least 28 days before, however this will not form part of your 2 no game requests. (Not: Wedding parties, “stag” weekends or other pre-arranged social arrangements will NOT be permitted as a reason for not playing without due notice – all such events are inevitably subject to planning and such details should be well-known to a club, therefore allowing ample time to submit a “no game request”). Any applications may be declined if it is detriment to the completion of the competition.</p>
20.U	<p>When the home team plays on the away Club’s permit, the cost of the permit must be paid for on the day. Teams in default will be fined in accordance with the fines tariff. The defaulting team will have until noon on the following Thursday to settle the outstanding permit cost. After this Rule 6(I) applies.</p>
20.V	<p>If a player is sent off the field of play for any offence, they must remove themselves from the sideline and away from the field of play. The distance required is subjective however they cannot be heard or participate in any capacity for the remainder of that match. Any player that is reported to the Management Committee for non-adherence of this rule will be reported to the County Football Association for further sanctioning.</p>
20.W	<p>After the month of January in the playing season, should the home team pitch not be playable/available then the opposition pitch shall be used. This is regardless of teams having played each other in the playing season. Should the opposition pitch also not be playable or available then the management committee shall decide on another ground before postponing the game.</p>

B	The management committee, whilst serving officers, will be trustees of the funds and property of the competition. As allowed by the accumulated funds of the competition from time to time a donation will be made to various charities.
C	Unless otherwise provided for, the competition is subject to the rules of the Woolwich & Eltham Sunday Football Alliance, other than the playing venues of some participating Clubs/teams, which may fall outside the League's 15-mile radius. Due to the nature of the Competition, venues outside this League's normal radius will be deemed acceptable. Other anomalies will be dealt with by the Management Committee on a "case-by-case" basis. This is to allow for entry by teams from other Leagues.
D	<p>Entry Fee will be £20 per team, payable on or before the August general meeting for member clubs, or on or before the 31st August each year by external applicants. Any team that has not paid their entry fee by this date will be removed from the competition. Any Sunday team affiliated to a County Association may seek admission to the competition but must also have written approval from their own league which is then forwarded to <a href="mailto:leaguesecretary@wesfa.co">leaguesecretary@wesfa.co</a>.</p> <p>Members of the Woolwich &amp; Eltham Sunday Football Alliance are admitted automatically and must advise the Fixtures Secretary if they do not wish to enter the draw on or before the August general meeting.</p>

F	Officers of the competition may call a special meeting at any time it may be considered necessary and will give seven (7) days' notice of such meetings with details of the agenda. Notice may be dispensed with upon approval of 66% of accredited member delegates present (a minimum of 20 delegates must be in attendance and also able to vote) in the interests of the competition.
G	Each member team, and each officer, will be entitled to one vote on each issue where it is called for, other than the Chairman, who will be entitled to cast an extra vote in the event of a tie. All voting will be decided by a simple majority on a show of hands; unless a majority of accredited voters should demand a secret ballot.
H	The draw for this Competition will be made at the beginning of September each year. Each member will be provided with a copy of the draw. The dates on which ties should be played shall be fixed, and the ties played as the WESFA management committee may determine, unless due to weather or circumstances beyond the control of either team or league. Any such decision taken in the interests of the competition will not incur any financial penalty.
I	Officers of the competition will determine the venue, date, and kick-off time for final ties, bearing all expenses for the final. The Final tie apart, expenses for all ties will be shared equally between the competing teams; the home team will be the first-named of the participants in all ties, including the final tie, irrespective of the venue concerned, and subject to the rules of competition and the ground authority.
J	<p>Each external team will need to supply a maximum list of 30 players that are to be used in the competition for that season. The list must include the forename and surname of each player and sent to the following email: <a href="mailto:Jennyverrillo@icloud.com">Jennyverrillo@icloud.com</a> by the 30th September each year.</p> <p>Each external team can use up to, but not exceed, 10 players that are not listed in the original list of 30 players during the season. However, to use any additional players you must first remove one of the original players from the list and supply all the necessary information by the preceding Thursday 9pm. Each team must obtain confirmation from the WESFA Registration Secretary that the new player is eligible to play before the match. Under no circumstances must a team have more than 30 players listed at any one time.</p>
K	<p>Each player must have been registered within this League, or their parent League for external clubs, for not less than fourteen (14) consecutive days prior to playing in a quarter final tie. They shall be considered a player of the team having played three league or cup games, before being eligible to play in a semi-final or final tie.</p> <p>A player will not be eligible to play in the final tie unless they have played in a previous round of this competition in the same season for the same team; no player may play for more than one team during the same season's competition.</p> <p>Teams can seek dispensation in special circumstances; officers will review and can approve such dispensation on a case-by-case basis.</p>
L	Any team failing to compete in a scheduled tie must provide written explanation of default to the WESFA league secretary within four days of the scheduled event. Upon investigating by the management committee, the defaulting teams will be liable to a fine of £10 plus any other costs listed under Rule 20(P)(a)(b)(c)(d)

M	<p>Team sheets must be completed for this competition as per Rule 21.</p> <p><i>Rule 21(A)</i> The Registration Secretary will accept any of the following methods for receiving team sheets; scanned emails or, a photo via WhatsApp or, a text. If the tie is still undecided after 30 minutes of extra time, the winners shall be decided on penalty kicks.</p>
O	Teams shall use SMS to notify the result of each competition match to Full Time by 7pm on the Sunday after the match. For midweek games, results shall be communicated by 11pm on the day of the match.
P	The away team is entitled to require evidence of a permit cost in any competition match. £100 is the highest fee paid for a shared permit (£200 total cost), excluding match officials fees
Q	<p>In the event of the ground being provided by the league such gate money/programme sales which may be taken shall be received by the competition.</p> <p>Each finalist will receive 10% of the total gate money received. An additional 10% of the total gate receipt will be deducted from this final and added to the charity donation.</p>
R	The two teams qualifying for the Final will be required to purchase 18 Cup Final programmes at a discounted price, the cost of which will be reviewed from time to time.
S	18 Individual trophies/medals will be supplied to the finalists and winners, and the perpetual trophy will be presented to the winners upon the conclusion of the match. # **Woolwich & Eltham Sunday Football Alliance Social Media Policy**

## **Overview**

Social media offers the opportunity for people to gather in online communities of shared interest and create, share or consume content. As a public facing organisation, the Woolwich and Eltham Sunday Football Alliance (herein referred to as WESFA) recognises the benefits of social media as an important tool of engagement, to communicate with and market promotions to our association, partners, sponsors, officials, referees or members (herein referred to as associates)

It is important that the reputation of WESFA, as well as WESFA associates, is not tarnished in any way by anyone using social media tools inappropriately, particularly in relation to any content that directly references WESFA or WESFA associates.

When someone clearly identifies their association with WESFA, or can easily be associated with WESFA in this type of open forum, they are expected to behave and express themselves appropriately and in a manner that is consistent with WESFA's ethos.

The purpose of this social media policy is to provide some guiding principles for members of WESFA to follow when using social media. This policy does not apply to the personal use of social media platforms by these persons where no reference is made to WESFA or WESFA associates.

## **Scope**

This policy applies to all WESFA and WESFA associates. This policy covers all forms of social media. Social media includes, but is not limited to, activities such as:

- Maintaining a profile page on social or business networking sites (such as LinkedIn, Facebook, Twitter, etc.)
- Content sharing including using sites such as Flickr (photo sharing) and YouTube (video sharing)
- Commenting on blogs for personal or business reasons
- Leaving product or service reviews on retailer sites or customer review sites.
- Taking part in online votes and polls
- Taking part in conversations on public and private web forums (message boards)
- Editing a Wikipedia page

The intent of this policy is to include anything posted online where information is shared that might affect WESFA associates or WESFA as an organisation and the reputation of either WESFA, WESFA associates or any associated Football Association.

## **Guiding Principles**

The web is not anonymous. WESFA and WESFA associates should assume that everything they write online, especially in open forums, can be traced back to them.

Due to the unique nature of WESFA, the boundaries between personal and professional profiles and any associated opinions and comments can often be blurred. As such, it is essential that WESFA and WESFA associates clearly acknowledge this ambiguity when posting anything online and consider at all times their connection to WESFA and, as such, their role as a representative of the Alliance.

When using the internet for professional or personal pursuits, social media users must respect the brands of WESFA and WESFA associates and our associations to which we are members, such as the Football Association, as well as other leagues and associations, following the guidelines in place to ensure that the intellectual property of both WESFA and WESFA associates are not compromised and the organisation(s) are not brought into disrepute.

### **Usage**

For all WESFA and WESFA associates using social media, such use:

- Must not contain, or link to, libellous, defamatory or harassing content this also applies to the use of illustrations or nicknames
- Must not comment on, or publish information that is confidential in any way
- Must not bring WESFA or the sport and any affiliated governing bodies into disrepute
- Must not be directly linked with any players aged 18 or below from a personal social networking account
- Must not otherwise be in breach of the WESFA Ethos or Code of Conduct.

### **Branding & Intellectual Property**

It is important that any trademarks belonging to WESFA, WESFA associates, affiliated competition(s) or governing body(ies), are not used in personal social media applications, except where such use can be considered incidental – (where incidents is taken to mean “happening in subordinate conjunction with something else”)

### **Official WESFA Blogs, Social Pages & Online Forums**

When creating a new website, social networking page or forum that is in any way or can in any way be judged to be associated with WESFA, care should be taken to ensure the appropriate person is given permission to create the page or forum.

Similarly, appropriate permissions must be obtained for the use of logos or images. Images of children may not be replicated on any site without the permission of the child’s parents and/or guardian.

For official WESFA blogs, social pages and online forums:

- Posts must not contain, nor link to, pornographic or indecent content
- Some hosted sites may sell the right to advertise on their sites through “pop up” content, which may be of a questionable nature. This type of hosted site should not be used for online forum or social pages as the nature of “pop up” content cannot be controlled.
- WESFA associates members must not use official WESFA pages to promote personal projects, unless permission has been granted in advance by the WESFA Management Committee.
- All materials published or used must respect the copyright of third parties.

### **Consideration Towards Others**

Social networking sites allow photographs, videos and comments to be shared with thousands of other users. WESFA and WESFA associates must recognise that it may not be appropriate to share photographs, videos and comments in this way. For example, there may be an expectation that photographs taken at private WESFA functions will not appear publicly or on the internet. In certain situations, WESFA associates could potentially breach the Privacy Act or inadvertently make WESFA (or WESFA associates) liable for breach of copyright.

WESFA and WESFA associates should be considerate to others in such circumstances and should not post information when they have been asked not to or consent has not been sought and given. They must also remove information about another person or associate should they be asked to do so.

Under no circumstances should offensive comments be made about WESFA or WESFA associates or any other party.

### **Breach of Policy**

WESFA will continually monitor online activity in relation to the alliance and the sport. Detected breaches of this policy should be reported to WESFA.

### **Remedial action**

Over the last season we have seen numerous breaches of the above policy. As a Management Committee we have realised that these breaches have brought no consequence. This season we will be enforcing our Social Media Policy with new measures. All Clubs, Players, Officials and League Officers are bound by this policy.

Any breaches of the above policy will lead to your account being blocked by the WESFA Social Media accounts. You will then be contacted via letter by the Social Media Secretary and the Conduct Secretary explaining your breach and reminding you of our Social Media Policy.

Further sanctions could be levied against you or your club if you continue to breach our social media policy. Whilst bringing the league into disrepute would lead to consequences such as, but limited to, fines to both individual and/or teams, removal of fixtures, and ultimately could lead to your teams expulsion from the league. In what the league considers extreme cases, we would also send the content to authorities to handle outside of our governance.
