

Most Sacred Heart of Jesus

Pattern for the Most Sacred Heart Banner -For the banner itself, use a 8 1/2" X 12" piece of felt or a bit larger if preferred. Fold the felt over an inch towards the back (at the top of the banner) and hot glue or sew to create an area to slide a smooth stick dowel through. Draw faces on the figures with fabric paints or glue felt scraps on for faces, hair and beard.
