

Candy Cane Catechism

What could a candy cane say about Jesus?

It could say his name: Jesus

Or tell about the shepherds who heard
the angel's message.

The pure white candy tells of Mary,
the purest of virgins.

The big red stripes speaks of God's great love,
and the blood that Jesus shed for us.

The thin red stripes tell about us, God's children,
joined in God's love.

The sweetness says how good God is.

The royal peppermint declares that Jesus is a king.

The candy is solid. It lasts a long time,
like God's love, which lasts forever.
