

## St. Joseph

We celebrate the feast day of St. Joseph on March 19, remembering the foster father of Jesus. He is our spiritual father. St. Joseph was a good and just man and loved JESUS very much. He loves us very much also. He lived in NAZARETH and was a CARPENTER; he taught JESUS many things. Joseph worked with these tools and he taught JESUS how to use them. What else did he teach Jesus?

### BLESSED BE SAINT JOSEPH

**Blessed be Saint Joseph,  
That witnessed the Glory of God on earth.  
Blessed be the Eternal Father that chose you.  
Blessed be the Son that loved you,  
And the Holy Spirit that sanctified you,  
Blessed be Mary that loved you.**
