

Friends of Jesus and Mary Amigos de Jesús y María

One day Jesus asked St. Margaret Mary for help so that all the world would realize the immense love He has for us... Jesus saw that people forgot about Him and didn't love Him.

We can also adore the Heart of Jesus giving Him all of our love the same way St. Margaret Mary did. We can also pray for those who don't know or don't love the Heart of Jesus so all may know and love Him.

The day of
THE IMMACULATE HEART
OF MARY

Mary was born without the stain of Original Sin on her heart. That is why we say her heart is Immaculate or clean. And she never sinned, so her heart was always Immaculate.

Mary, our mother in Heaven, also has a heart full of love for us. She takes us by our hand to Jesus.

Mary accompanies us when we pray; she helps us to be good so we may gift Jesus a heart full of love.

Jesus wants us to love the Immaculate Heart of His Mother, and that we pray for those who do not know or love her, so all may know and love her beautiful heart.
