The Greatest Love

Jesus said to his disciples: "As the Father loves me, so I also love you. Remain in my love. If you keep my commandments, you will remain in my love, just as I have kept my Father's commandments and remain in his love. "I have told you this so that my joy may be in you and your joy might be complete. This is my commandment: love one another as I love you. No one has greater love than this, to lay down one's life for one's friends. You are my friends if you do what I command you. I no longer call you slaves, because a slave does not know what his master is doing. I have called you friends, because I have told you everything I have heard from my Father. It was not you who chose me, but I who chose you and appointed you to go and bear fruit that will remain, so that whatever you ask the Father in my name he may give you. This I command you: love one another."

Reflection

Jesus declares how much He loves us. To the point of giving His life for us! But He asks us not to separate from His love. God gives us the choice to choose Him or not. What does Jesus say we need to do to remain in His love? (Keep His commandments.) Why does Jesus want us to remain in His love? (So the complete joy of Jesus may be in us.) What commandment in particular does Jesus want us to keep? (That we love one another.) Jesus says He chose us as His friend to do something in particular. What does He want us to do and why? (To give permanent fruit so we may receive all that we ask in His name from our Father in Heaven.) How can we love our neighbor and give permanent fruit for Jesus? Share
