

### Tabernacle Craft

On a piece of construction paper folded in 3 parts (In landscape mode, fold each side to meet in the middle). While folded, cut an arch on the top. Print the chalice on yellow paper, the candle on red paper, and the prayer on white paper. Print the host with Jesus in color. Cut and glue the chalice and the host in the middle of the inside of the tabernacle. Close the doors and glue the candle to the left lower door, and the word tabernacle to the right lower door. Glue the prayer to the back of the tabernacle and the square with lines underneath to write a note to Jesus.
