

Mary

Show Jesus Today

Mary always points to her son, Jesus. Like Mary, we can show Jesus to others. For this project you need a brad and a paper-plate. Cut out the Circle and the Arrow next to it. Fasten them together on a paper-plate so that the Arrow can spin. —

Each day spin the Arrow. When it stops, read a way for you to show Jesus to others.

Write your own ways (ideas) in to the blank sections.
