Jesus Shows Us How to Love

The following fish list words that show how we are to be disciples of Jesus.

As a disciple of Jesus, how do you act out one of these words? Color the fish you choose. Then draw on the back of this paper a picture of yourself acting out the fish you chose.

Activities and prayer. Ask the children to draw and cut out fish and write on them what type of food they are going to offer to the risen Jesus. Have the children place their fish in a basket. All say, "Thank you for your life, Jesus."
