

## Day 2 – Activity Envelope for Sacrifices

**Instructions:** Color, cut, and glue a child, the hearts, and your name to the opening side of the envelope. Color, cut, and glue the chest to the other side. Glue the prayer to the inside of the chest. Cut the sacrifices on the other page so the child can choose which one they want to do each day. After doing the sacrifice, the place the paper in the envelope to give to Jesus and Mary on the day of their consecration.

Oh Jesus, I offer this for love of you  
and for the conversion of sinners.
