Communications/Website/Stack update - Amy

Amy will create various groups for the committees on Stack as a medium of communication. Michele went over the slides from Coach Brown. Lisa manages our website. It looks great!

Financial update - Mikki

We hit our goal of \$5K before our December timeframe. Please sign up for AmazonSmile, we get .5% of the purchases. She also signed us up for Target, where you get to dedicate votes and a portion will go to the booster. Waiting to hear if it's been approved. Please connect with Mikki for any program-related financial needs during the season.

Program Wide Community Service

- We are considering doing a project as part of the TRUNK or TREAT event held annually at CPHS for Halloween. The event coincides with the first official day of practice and wanted to possibly tie that in with practice somehow...it is a developing idea...Date would be Oct 26th.

Sub Varsity Tournament

Will need to make sure we have a plan to feed the referees, coaches.

Cannot have concessions during school hours.

If we want to feed players, we will need to make sure there is sufficient parent coverage to handle the tasks.

Andi suggested it would be easier to manage with one or two people coordinating the details.

Committee will connect with Coach to get an idea of how many individuals need to be fed for the coaches/referees.
